Number of surveys returned	27	35	16
Percent satisfied with learning environment	74.1%	80%	87.5%
Percent satisfied with social and physical environment	74.1%	71.4%	86.7%
Percent satisfied with school-home relations	55.5%	91.4%	87.5%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Kelly Miller Elementary School is a small, rural school with a HUGE amount of "Tiger Pride." During the 2012-2013 school year, the students, parents, faculty and staff committed to inspiring excellence in academics, arts and behavior. We began every day by reciting our school creed, "I Will Succeed," and ending the KMES Morning News with a school wide focus on having a great day of teaching and learning!

This year, we promoted a positive school climate where everyone was respected and valued. We set high expectations for student behavior, and recognized positive behaviors by implementing the "Principal's Pride Patrol". We continued our end of the month character celebrations, D.A.R.E. and Fairfield Behavioral Health "Keep It Real" programs. As a result, discipline referrals decreased significantly from the previous year.

Our teachers participated in weekly Data Team meetings that concentrated on providing research-based instructional support that was focused on the learning needs of individual students, based on PASS, MAP, End of Quarter, and weekly Common Assessment data. Most Kelly Miller Elementary School students showed progress toward meeting their individual goals on MAP, and were celebrated for their accomplishments, as we continued to strive for excellence in academics. Teachers received on-going professional development at the school and district levels.

New to the school is our "Principal and Parent Reading Partnership", which is designed to inspire a love of reading at school and at home. Other initiatives include, but are not limited to: "Coffee, Coke, and Conversation with the Principal", where parents collaborate with the principal and share ideas for school improvement; Pre-Algebra Enrichment for 6th Grade students who excel in mathematics; "Mobile Math Totes and Lab", funded by a NetLEAD Mini Grant Program, designed to support the collaborative effort of classroom teachers and school administrators to investigate educational innovations to improve student learning; and Inquiry-based Classroom Unit Projects. The addition of 46 Chromebooks for classroom use in 2nd through 6th grades allows integration of technology into daily classroom instruction.

We are extremely grateful for our highly supportive School Improvement Council, and to the Parent, Teacher Organization. They have been instrumental in providing support to our school through programs, resources, activities, and visibility. Kelly Miller is "Committed to Excellence."

Mrs. Kathy R. Woodard, Principal
Mr. Thomas Armstrong, SIC Chair
