REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ellen Woodside Elementary School continues to create an educational environment driven by our school tagline, "Educating Winners Everyday"! Situated in a rural area in southern Greenville County, the school serves approximately 630 students in grades 4K through 5th. This year, we continued to partner with Michelin to provide a one-to-one mentoring program for identified students. In addition, we completed year two implementation of the reading program, Fountas and Pinnell to reach students of all reading levels. Throughout the year, several assessments including MAP (Measure of Academic Progress) were used to help us analyze growth, set academic goals, and to set academic plans for all students. MAP tests help to identify what skills students have attained and the ones that need to be taught. We have continued to improve the quality of our program by enlisting our community resources and by developing parenting programs for our at-home partners. Public Education Partners of Greenville donated fifteen books to all Ellen Woodside students to ensure that students had the opportunity to continue reading over the summer. All students have been provided the highest quality of instruction and have been afforded the opportunity to fulfill their innate potential through the positive, creative, and challenging curriculum presented in a relevant and meaningful manner.
