Report of Principal and School Improvement Council

Greer Middle International Baccalaureate School's mission is to empower learners for a world class education. During the 2012-2013 school year, over 170 students earned high school credit in English I, Algebra I, Geometry, French I, and Spanish I.

Extracurricular activities for GMS students include seven sports teams, visual and performing arts opportunities, an academic team, and participation in intramural athletics at GMS and high school sports at Greer High School. The boys' and girls' basketball, softball, and volleyball teams all earned spots in the region playoffs. Twenty GMS students auditioned, and six were selected, to perform with the All-County Band. The GMS Model United Nations Team made it to the formal presentation round at the South Carolina Youth in Government Conference and won team recognition. Our students logged over 4,500 hours of community service in and around Greer, during the school year.

Our students continue to increase their academic success inside the classroom. For the fourth straight year, our Measure of Academic Progress (MAP) scores increased in all three grade levels. Every academic class has an interactive Promethean Board in the classroom to increase student participation in learning.

All of our faculty members are highly qualified, and they continue to seek advanced degrees. As an International Baccalaureate school, students and teacher sponsors participate in events and programs such as Night at the Museum, GMS Sisterhood, which helps sixth grade girls build self-esteem and positive relationships, and the GMS Ambassadors program, which trains students to be leaders at GMS, in their community, and globally. GMS also began a school-wide energy-conservation initiative. Our Career Development Facilitator partnered with 20 new businesses in the community to arrange 61 speakers who volunteered over 250 hours with students at GMS.

The cooperative efforts of the staff, PTSA, and SIC increased our parental involvement opportunities. Some of the parental involvement opportunities included: 6th Grade Orientation, 7th/8th Grade Orientation, Washington DC Parent Meeting, PTSA Open House, GMS Book Fair, Night at the Museum, Bring Dads To Lunch, Bring Moms To Lunch, Goodies For Grands, Bring Grandparents To Lunch, Mr. and Miss GMS Pageants, Ambassador End Of Year Luncheon, Celebration of Excellence, Black and Gold Day, and Fall/Spring concerts in Strings, Band, and Chorus.

Greer Christian Learning Center provides opportunities to a total of over 550 students on a weekly basis for release time activities, which are requested by parents and supported by our community.

The school culture and climate of Greer Middle School is regarded as safe and friendly with a high rate of student, parent, and staff satisfaction with the school environment. Greer Middle IB School follows a model of high expectations and continuous improvement as we strive to be on the cutting edge of student achievement.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.8
Overall Grade Conversion	B

60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations
