Percent satisfied with social and physical environment	100%	84.1%	90.4%
Percent satisfied with school-home relations	96.7%	88%	85.9%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Beck Academy continues to focus on a shared vision: to have a focused faculty, teaching an aligned International Baccalaureate Middle Years Programme (IBMYP) curriculum to a motivated student body to prepare them to be productive citizens of the global community. As a magnet school for international studies, we continue to focus on the whole child and pursue excellence in every facet of our school. The 2012-2013 year was a great one for Beck. We received an Excellent/Excellent rating on our School Report Card and won two Palmetto Gold Awards for General Performance and Closing the Gap. With numerous students qualifying as Duke TIP scholars, 100% passing English I End of Course, 99% passing Algebra I End of Course and many qualifying as Junior Scholars, the academic achievement of our students continues as an example of the quality instruction they are provided and the excellent support provided at home. We continue to provide support for our students with disabilities and serve as the Satellite middle school for students with Hearing and Orthopedic Disabilities.

As we provide leadership opportunities for our students in Student Council, Beta Club, Green Team, athletics and fine arts, we continually emphasize the need to give back to the community. Student, Robert Smith won first place in the state in Science at the Beta Club Convention. Our community and service program continues to grow and we have record numbers of students eligible for our community - service incentive program. We model this behavior school-wide by raising money for many local charities at various times throughout the year. This year some of the charities we supported as a school were: United Way, MDA, Make a Wish, Special Olympics, Greenville Humane Society and Goodwill.

Our PTSA has won numerous awards over the years and we were pleased to continue great results in the PTSA Reflections Contest and with several membership awards. Our SIC continues to be invaluable as an advisory group and participates in developing our strategies to achieve our academic goals. They were on the SIC Honor Roll for South Carolina for 2012-2013 and were one of the top 5 finalists for the Riley Award for SIC Excellence. Our business partners have grown in number and support and we continue to work with General Electric to premier a national math tutoring program, Igniting Minds, designed to take math students to the next level of achievement, and piloted a science program as well.

Our Athletics program continued to achieve honors with every sport making the playoffs. Volleyball won their first District Championship in Beck history. Both basketball teams made it to the 2nd round of the tournament. Our boys' soccer had its 1st undefeated regular season. The girls continued their stretch without a loss to 5 years with their 5th championship in a row. Our Strings received an Excellent Rating and our band a Superior rating at Concert Festival. The performing groups also had students in All-State, Region and County Honor ensembles. We had several students participate at the District's Juried Art Show, and the Drama program produced a wonderful series of plays around the issue of bullying. In the upcoming 2013-2014 school year, Beck Academy will continue to lead our students with a program of quality instruction that promotes rigor in the classroom, transitions to the Common Core Standards, uses data analysis to provide differentiated instructional strategies and grouping, and provides quality assessments.

Principal, Jason S. Warren and SIC Chairperson, J. Scott Davis
