Report of Principal and School Improvement Council

Gloverville Elementary School has been “Rocking in our School Shoes” during the 2013-2014 school year. Our school served 302 students which included Pre-kindergarten through 5th grade. Our school is continuing to implement Common Core State Standards which requires a high level of rigor, hands-on experiences, and active engagement from students. Classroom curriculum is becoming more and more focused on research, effective use of technology, real life problem solving, and collaboration. In our endeavor to provide students with hands-on, real life learning experiences our curriculum was enhanced with a number of field trips and special guest visitors. Students visited the state museum, local theatre and symphony orchestra productions, the Augusta Canal, Riverbank Zoo, RSPEC Science Center, Redcliffe Plantation and more. Our kindergarten classes had visitors come to school for every letter of the alphabet from investigators to a yoga instructor, race car driver, artist, and singing quartet. Other grade levels had special visitors including author Eric Litwin to inspire us to write and sing in our school shoes, Diamond Del to help students mine for rocks and minerals, guest speakers from local museums to discuss and show artifacts from certain periods in history, and park rangers from Redcliffe Plantation to simulate the experience of being a slave in the South, to name just a few.

To ensure that all students’ needs are met we have a School Intervention Team. Our School Intervention Team analyzes student achievement, develops instructional goals, determines staff development needs, and evaluates program effectiveness. In order to address the diverse needs of students we offer: before school Compass lab, after school math tutorial, a certified tutor during school hours, Shooting Star Book Club, Reading Recovery, Spanish classes, Science Lab, computer assisted instruction, and GT classes. Student success is celebrated for reading, MAP gains, citizenship, academics, and writing.

Our School Improvement Council and Leadership team has carried forth our vision of loving and learning together through passion, patience, persistence, and partnerships. This is evidenced through our open door policy, very active PTO and outstanding family involvement. We provide numerous opportunities for parents to participate in school activities such as: Open House, American Education Week “Come to Lunch” day, Christmas Family Night, Awards Days, Family Fun Day, Doughnuts with Dad, and Muffins for Mom. We also hosted our 2nd annual Real Men Read event which invited community leaders and family members to read to our students. Other ways we supported our community include: can recycling for Valley Empty Stocking Fund, canned food drive for VOICE, fund raising for Relay for Life and United Way, creation of Easter baskets for the elderly through the United Way Baskets for Bunnies program and a school-wide donation drive for Goodwill.

Gloverville Elementary has been recognized as a Title I Reward School for the past two years and for meeting AYP the three years prior. Our overall ESEA grade was a B with a score of 87. It is our goal to bring that grade back up to an A and to continue to be recognized as one of the highest performing Title I schools in the state. In the face of current challenges we aim for continuous improvement in all areas of our school.

Michelle Padgett, Principal
 Julie Knight, School Improvement Council Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
