Report of Principal and School Improvement Council

North Charleston Elementary School is a Title One school on the fast track to excellence! Our children have achieved the highest levels of improvement in the Innovation Zone, our PASS test scores have increased over 22% in the last year alone. At NCES, we believe in providing a child-centered, caring, and challenging environment that is designed to help every student reach their greatest level of potential. Our rigorous academic standards, superb leadership, state of the art pedagogical systems, and our dedication and determination to our students are second to none and are the catalyst for our success.

We believe in a multi-tiered approach to educating our children. We infuse the arts into our classrooms and our after-school programs to educate the total child. Our Suessical the Musical Junior presentation was highly touted as one of our many successes. We impress the need for hands-on activities in every subject, increasing engagement while broadening students' knowledge and awareness in their subject matter. Our S.W.I.M after school tutoring program incorporates sports, drama, and the arts into learning for at-risk students and all who want to better their skills in the core subjects. We employ Charleston Southern University professors in our English, Social Studies, Science, and other core curricula. We use a variety of well-known interventions such as Wilson reading, Read Well, Number Worlds, Voyager and our Reading 2 Serve and Reading Soul Mates volunteers to improve reading proficiency. We formed and staffed our own inter-classroom basketball league so that all children had the opportunity to play. Our Study Island and My On reader mathematics and reading reinforcement programs have been highly effective in bolstering students' desire to continue their studies at home.

We know that successful education occurs when the student, parents, and school community work together to prepare our children for the continuing educational experiences ahead of them. NCES maintains a strong level of community involvement and has worked to increase partnerships for the betterment of its students and school family. Our partnerships with Mt. Moriah Baptist Church, Volunteer lunch buddies, Coast Guard Maritime Law Enforcement Academy reading tutors, Cummins Turbo Technologies and myriad other community volunteers and outreach programs have sustained strong community and family involvement. Our School Improvement Council and Parent Teachers Association provide monthly student-led programs that keep our families informed of their child's successes. We are proud to be a Trident United Way Links to Success member site, providing additional support for our families through the Department of Mental Health, the Low Country Food Bank, and Boy and Girl Scout partnerships. Our local Kiwanis Club provides monthly reward recognition of our outstanding scholars' performance, and the North Charleston United Methodist Church provides extra academic and social support through mentoring our students. We hold semi-annual School Lock-In PBIS parties to provide positive student recognition in a friendly teacher-student fellowship atmosphere where all engage in sporting-related activities to build strong school relationships. Together these programs have fostered a positive, caring school climate which encourages students to be confident, competent, responsible, and productive citizens in a diverse and ever-changing world.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	29.1
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
