Report of Principal and School Improvement Council

It is always an exciting time to be at Stiles Point Elementary. Stiles Point Elementary is a neighborhood school featuring an experienced staff with a supportive community, an involved PTA, and eager volunteers. We have high expectations and excellent academic and citizenship programs. We have achieved many awards (e.g., The Community of Readers Award, Exemplary Writing Award, Charleston County Recycling Award, etc.). But we face many challenges ahead as we develop students’ academic and citizenship proficiencies as related to the state standards. We are developing our math program to support students’ problem-solving strategies in context, use of manipulatives and technology, and increasing their SCPASS English Language Arts, math, science, and social studies achievement levels. Teachers are expected to work together to plan, implement, teach, and assess the students by using a coherent curriculum with the state standards.

Aristotle wrote “We are what we repeatedly do. Excellence then, is not an act but a habit.” It is part of our culture to aim high and expect much of the students. Expectations continue to increase with the implementation of state standards in all subjects. The push for more one-on-one instruction by the teachers (but without reduced class size) is definitely impacting the school. Our teachers are expected to teach more, with greater variety, and with higher level thinking skills. In grades K-2, teachers use the AimsWEB instrument as an efficient measure of the fundamental skills which underpin the development of literacy in young children. With the implementation of Measures of Academic Progress (MAP) in grades 1-5, the teachers receive immediate feedback about the needs of the students. This feedback allows the teachers to plan remediation and/or enrichment activities for the students. The education of our children still remains our highest priority.

We must meet the continuing challenge to provide the best instruction and materials for our future leaders of a competitive global economy.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	95.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Stiles Point Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
