## Report of Principal and School Improvement Council

The 2013/2014 school year at Cheraw Intermediate School (CIS) was an exciting year for the students and staff. It was filled with events and activities; it was our goal to develop the minds, bodies, and character of our students. They had the opportunity to participate in various learning opportunities involving reading, math, science, social studies, the arts, service projects, and extra-curricular events. This variety of experiences not only helped the students learn important concepts and skills, but also life lessons.

The students' accomplishments included both academic and artistic recognition. We had 5 newly identified students qualify for ALPHA, the gifted and talented program, and 55 fourth and fifth grade students inducted into the National Elementary Honor Society. In addition to academic excellence, our students were also successful in the arts. Brishana Jackson won the Superintendent's Elementary Art Award for all the elementary students from across the district for the second year, and Christian Wilson won the Superintendent's Overall Art Award. We were so proud of these endeavors.

The CIS school report card rating was an "A" (93.6). Even though we received an "A" rating, we were still identified as a "focus" school. This meant that the average of the achievement gaps between our students sub-groups' scores on the PASS test were significantly large. From our research, we learned that instead of targeting certain groups, we needed to focus on effective instruction. Effective instruction helps all students benefit and show growth with the lowest students experiencing the most growth and, consequently, reducing the achievement gap. With research to support us, our teachers were involved in extensive professional development in "best practices" for reading and math. In reading, we continued to emphasize reading stamina, fluency, and comprehension and to closely monitor student progress. Our math teachers worked with the math coach to implement strategies to aid mathematical comprehension using the conceptual approach and manipulatives.

Being an Arts in Basic Curriculum (ABC) site again was great for our students and school. Beyond instruction in the art and music classrooms, our students went to dance classes and had the opportunity to participate in various art clubs like chorus, art, guitar, steel drums, and drama. The chorus, under the direction of Mrs. Privette, worked with the Baillie Players, a professional touring theatre company on the South Carolina artist in residency roster, to present a musical production of Ransom of Red Chief. The art departments also worked with the faculty to create the most exciting arts event of the year, the Follies. With approximately 400 children participating in this single event and over 700 parents and friends in the audience, this was an excellent example of how the arts can bring a school and community together.

As we celebrate these accomplishments, we acknowledge the dedication and contributions of our students, staff, parents, community members, and business partners and look forward to continued success.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>82.1</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Cheraw Intermediate School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
