Report of Principal and School Improvement Council

South Elementary School serves students in grades pre-kindergarten through third grade. The school is a Title I Schoolwide Project site due to the fact that ninety-five to ninety-eight percent of the students eat free lunch. The student population averages 85% African-American, 10% White and 5% other.

The South Carolina Academic Standards are used as the basis for all instructional activities in the third grade. Common Core State Standards are used in grades Kindergarten through second grade. Teachers meet weekly to plan standards based lessons to help prepare the students for the next grade level and for the Palmetto Assessment of State Standards Test (PASS) that is administered to all third grade students in March and May.

During the 2012 – 2013 school year, a new kindergarten assessment was implemented. Common Core State Standards math benchmarks were used in first and second grade along with Common Core State Standards pacing guides. Parents were invited to attend kindergarten orientation programs, Parent Day conferences, P.T.O. Open House meetings, Breakfast with the Author programs, PASS Parent Night meetings, American Education Week activities, and academic conferences. Home/school relations were enhanced by weekly classroom newsletters, monthly reading and math home/school connection newsletters and teacher calls/notes. Students were recognized weekly for displaying positive character traits through the school’s Kids with Character Program.

English Language Arts, math science, and social studies served as the core curriculum in all classrooms during the past year. Supplies and materials were purchased to support goals identified in the school’s Title I Project. Technology was effectively used to motivate the students. Promethean Boards were used in all classrooms. Class sets of Laptop computers and iPads were available for teacher check-out. Efforts such as these helped lower the retention rate at South Elementary School.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	71.8
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

South Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
