Report of Principal and School Improvement Council

The Bryson Elementary community enjoyed a very successful 2013-2014 school year. Our school received for the second consecutive year an Absolute Rating of “Excellent”. Our Growth Rating moved from “Good” to “Excellent”. Palmetto Gold/Silver ratings are still pending.

While fostering a warm, family-friendly school climate, we continue to utilize student performance data to guide instruction in our classrooms. Our academic focus for the school year was making the transition to the Common Core Curriculum and the implementation of the Fountas and Pinnell balanced literacy model. We feel strongly that we have been successful with both and will continue to see our students excel academically.

We continue the utilization of a variety of programs to enrich and enhance our school climate. Prevalent among these are our quarterly Student Academic/Achievement Awards, Children’s Book Award Challenge, Safety Patrol, and CATCH Nutrition/Safe Schools emphasis.

Our school continues to place a great emphasis on civic responsibility beyond the classroom. This year our students and staff again raised funds for the March of Dimes, American Heart Association and the ‘Dogs for Autism’ program. We again participated in Operation Christmas Child to reach out to children living in poverty around the world.

Our PTA and SIC continue to provide tremendous support for our school financially and through a very strong volunteer program. Their dedication and commitment to our students, staff, and community make a truly immeasurable contribution to the great success of our school.

Bryson Elementary is a wonderful place for children and families to grow during the most critical years of their lives. We are privileged to serve a wonderful community and look forward to our continued partnership in shaping the next generation.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	94.8
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Bryson Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
