**Report of Principal and School Improvement Council**

The 2013/2014 school year another successful year for Mauldin Elementary School. We were pleased to open the year with an “A” report card rating under the new federal accountability system for Adequate Yearly Progress (AYP). We were also very pleased with our state report card absolute rating of “Good. These ratings once again confirm the great work we are doing to improve student academic performance each year.

During the school year we continued implementation of the Common Core Standards, and we also began a new balanced literacy program in all grade levels. We maintained our reading intervention program for kindergarten, first and second grade students, and once again included some upper grade students. We also maintained our inclusion model for students with special needs that serves qualifying students in grades two through five, ensuring their participation in the regular education curriculum. With the help of volunteers across our faculty and staff we also maintained our tutoring programs, providing some direct instruction along with the use of computer based programs.

This year we were able to hire two part time computer lab teachers which were new for our school. These teachers provided dedicated technology instruction for all grade levels on a weekly basis that included curriculum such as keyboarding skills and the use of PowerPoint. The addition of these two related arts teachers provided for a much greater degree of common planning time for classroom teachers on each grade level.

Our school will continue to face challenges that are brought on by necessary changes as the state adjusts to the Common Core Standards. In addition, we will continue making the transition to the new balanced literacy curriculum that has been adopted by the district. Even though we continue to face challenges with the resources available to us, we have been able to maintain our curriculum initiatives, as well as non-instructional initiatives that support the total school program.

During the school year our School Improvement Council continued with the local SIC Evaluation Initiative, regularly meeting with a representative from the state. We have partnered with our PTA to plan activities for next year that are designed to increase student achievement in science. We look to the coming years with a renewed focus on continuing improvements in student learning.

Michael J. Parker, Principal Craig Clayton, SIC Chair

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>91.6</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Mauldin Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
