Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2013-2014 school year at Lake City Elementary School (LCE) continues to be committed to ensuring the development of the unique potential of each student. Our mission is building excellence, every child, every chance, every day to ensure all of our students are 100% college and career ready.

LCE's community of staff, students, and parents worked together to accomplish our goals. We continued being an award winning school. Our recognitions included remaining a Value-added 5 TAP (Teacher Advancement Program) school, three years in a row. The continuation of TAP ensured our staff had site-based staff development weekly on strategies that focused on ELA and Math. LCE received the Palmetto Gold for Excellence in the Improvement Rating and now we include the Palmetto Silver for decreasing the student achievement gap for 2012-2013 school year.

LCE utilizes an integrated standard-based curriculum that emphasizes technology. Technology professional development is provided once a month for all certified staff. Technology resources used to engage students include laptops and Nooks in the classroom, various software programs, internet resources, Moby Max, Promethean Boards, and Streamline videos. LCE has a balanced language arts program which includes the use of Reading Renaissance.

Other accomplishments included the 21st Century "Save the Children" grant and an "ABC Arts" grant. This year, the 21st Century Save the Children program performed extremely well on the State Department Evaluation. Our Save the Children grant continues to help us maintain our focus on literacy and fitness. This grant expanded our in-school program to include small group emergent literacy instruction which builds a stronger foundation for our young readers. Our grant enabled us to provide a full after school program and summer boost camp. We continued the ZUMBA exercise program. The ABC grant also enabled us to bring in two artists-in residences to work with our students.

Our school raised over \$1500 for the March of Dimes. LCE also participated in Jump Rope for Heart, Box Tops for Education, and United Way service learning projects. LCE continued Family Nights and the LCE Morning Show, and added quarterly Honor Rolls, Awards Day programs, a Father-Daughter Dance night, a Mother-Son Dance night, and Incentive Day.

Our school continues to address our student achievement goals in order to build excellence, every child, every chance, every day to ensure all of our students are 100% college and career ready.
