## Report of Principal and School

Berkeley High School strives to ignite, in every student, a passion for lifelong learning. Through dynamic instruction, creative partnerships and exceptional support, we foster opportunities for each student to build a legacy of success. To track our students' achievement, BHS completed the second year of its benchmark assessment program. With the information we garnered from the benchmark assessment, we were able to better focus our Professional Learning Communities (PLCs) to increase student performance in all core subject areas. These PLCs are designed to provide an opportunity for teachers to work together and use data to improve their instructional techniques. The following programs continue to assure challenging and rigorous learning opportunities for all of the students we serve: International Baccalaureate Programme, Scholars Academy, STAR Academy, Mandarin Chinese, MAP Testing, SAT/ACT workshops and preparatory courses, an extensive HSAP Campaign, internship programs, and an Academic Incentive Card Program. BHS is accredited by the internationally recognized mark of quality-AdvancED District Accreditation. We continue to work toward the goals outlined in our School Renewal Plan, High Schools That Work site development and implementation plan. This year we are very proud to highlight our most prominent accomplishments. We graduated our second class of International Baccalaureate students. Our Forensics team placed at the state tournament and competed at the national qualifying tournament. Future Business Leaders of America placed in multiple categories at state competition and sent several students to the FBLA National Leadership Conference. In partnership with Trident Technical College, all of BHS' Career and Technology programs took the CTAP test to earn both high school and college credit. BHS also boasts active parent involvement as evidenced through numerous booster clubs. These clubs sponsor and support our academic, athletic, and AFJROTC programs. The BHS staff and community-at-large work together to provide each student the opportunity to build a legacy of success.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>85.3</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Berkeley High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
