Report of Principal and School Improvement Council

Northwood Middle continues to be an outstanding middle school with strong participation of parents through our SIC, PTA and numerous volunteer opportunities. The school's motto is "Northwood: A Community of Learners." The motto stands for our commitment to the school, parents and students all working together for the best interest of the students' academic success.

Northwood has completed its sixth year in the new facility. The impact of the facility can be felt in all aspects of our program. The school's technology was refreshed last year with all new computers. Every classroom has a Promethean Board. We have three fully equipped computer labs and three portable labs. Northwood is also in its sixth year of its uniform dress code. This requires students to wear khaki short/pants with solid colored shirts. This has had a tremendous impact on the academic success of our students.

Northwood's academic achievement goals for the past year were based on the PASS Test. The goal called for 78% of students to score Met or Exemplary in ELA and in Math. PASS results were not in yet to include in this report.

Northwood continues to have successful programs that serve students. Among these are the the Invention Convention, the History Club, the PTA Reflections contest, the Career and Mentoring program, and the career awareness/character education program funded by the Education Economic Development Act. Northwood also sponsors an award winning yearbook program. Northwood sponsors the National Junior Honor Society, the Student Council, various honor rolls. This includes the B.U.G. (Bringing Up Grades) Honor Roll. This recognizes and encourages students to always try to improve their grades. The school also sponsors the Northwood Knight program that encourages good citizenship and respect among students.

Northwood continues to strive for improvement for its students through our yearly self-evaluation Portfolio for Continuous Improvement model. Profession Development for the staff in the areas of implementing the Common Core Curriculum and improved communication with home continues to be focal points for our school.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	85.1
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Northwood Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
