Report of Principal and School Improvement Council

In 2013-2014, the Sevier community contributed over 6000 hours of recorded volunteer service. New courses and enrichment programming brought parent and business partners together with teachers to enhance student learning during Enrichment time, engineering classes, and project based learning opportunities. With dedicated parent support, Sevier hosted its first annual Regional Vex Robotics Qualifying Tournament, and our Youth in Government team competed at the State House for the second year.

The depth of caring and support from our community, SIC, and PTA are tremendously motivating to the staff and serve to elevate public support for Sevier. Thank you to all who contribute to the growth and effectiveness of our school.

Our Positive Behavior Intervention and Support (PBIS) program continues to support a healthy climate of respect, responsibility, and integrity among staff and students. Our Gathering of Falcons character programming and additional leadership efforts during Enrichment enhance the student learning culture and the focus on learning.

A strong Enrichment program provided preview and re-teaching of content and skills, small group support or extra time to reach goals, academic advancement, and special interest or academic competition.

Throughout 2013-14, teachers prepared for our new STEAM focus, developing units and projects that will engage students in real-world learning. We will increasingly implement STEAM principles in classroom instruction and students will develop the skills needed for success – critical thinking, creativity, collaboration, and communication. This advanced engagement and meaningful integration of technology will instill the confidence necessary for the highest levels of learning.

Our community is growing, and so is Sevier. Our reputation for safe and focused schooling, challenging curriculum, and effective preparation has made us the school of choice among parents who seek a rich and engaging education where families take part in student success.

We now offer a full curriculum of computer applications, engineering, STEM career exploration, Graphic Arts, and musical theatre opportunities for students.

Every day at Sevier, over 660 students are growing in confidence and competence. We appreciate all that parents do to encourage students to do well in school. Consistent attendance, preparation for each school day, and on-going communication are all very important. Thank you for sending such talented and energetic children our way every day.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.9
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Sevier Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
