

Hunt Meadows Elementary School

420 Hunt Road
Easley, SC 29642

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-5 Elementary	Principal:	Torie Tourtellot
Enrollment:	463 students	Superintendent:	David Havird
School Phone:	864-850-3987	Board Chair:	Fred Alexander
School Website:	http://www.anderson1.k12.sc.us/Domain/262		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

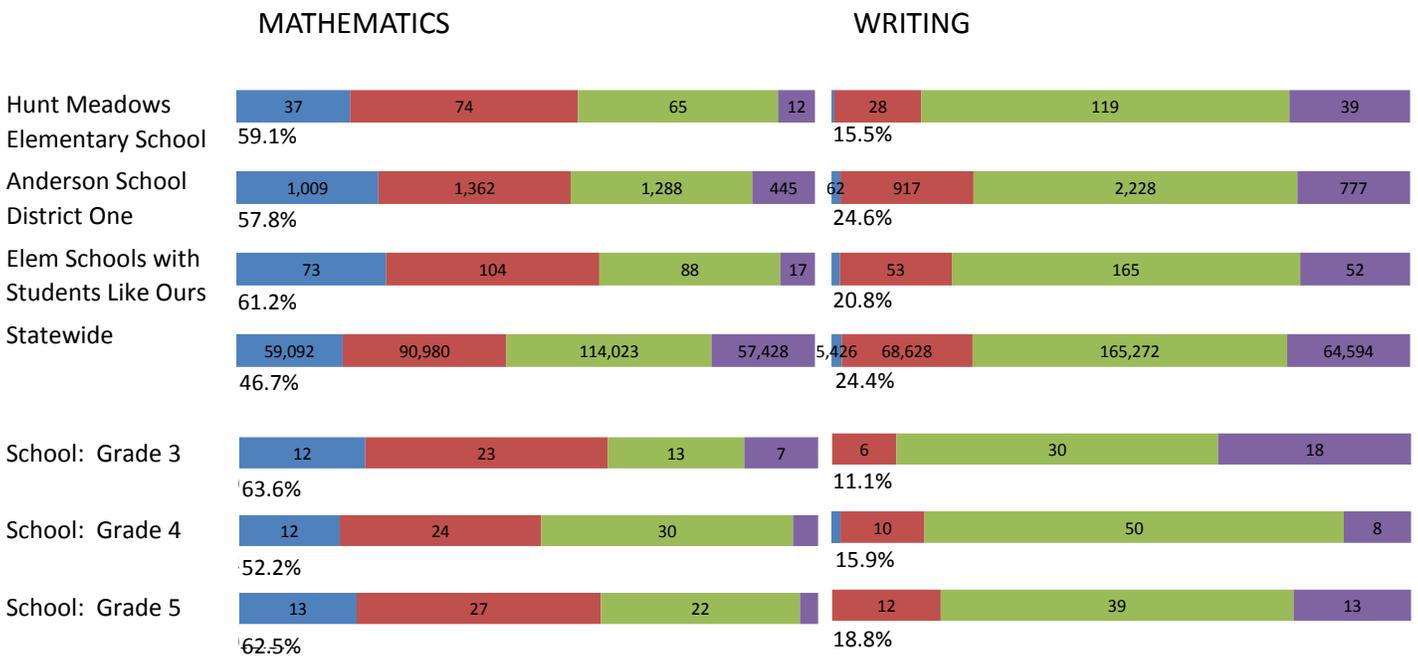

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Hunt Meadows Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a variety of learning opportunities. Our Parent Teacher Organization (PTO) and our School Improvement Council (SIC) continue to play a vital role in creating these opportunities. We continue to strive for excellence in academics, character education, and service learning. Each year, our PBIS program continues to build students' integrity, self-direction, and interpersonal skills. Our school, in concert with our extremely active PTO, SIC, Student Council, and National Elementary Honor Society organized and implemented several altruistic projects for the school and community: recycling, no idle campaign, Angel Tree, Green House Project and Relay for Life. Our PTO conducted an extremely successful "HUSTLE" fundraising. We received a Duke Energy Grant that helped fund our Coder DoJo class with Makie Makie boards, and Lego robotics kits. These programs along with several of our other afterschool programs are helping our students build and further develop world class skills. Our Coder Dojo programming club sparks creativity and innovation while providing students with opportunities to think critically and problem solve. Our Lego clubs and classroom STEM activities promote collaboration and teamwork. We are looking forward to continuing our 1 to 1 initiative for the 2015-16 year with iPad minis for grades 3-5. Using these devices to enhance our instructional practices, builds communication, information, media, and technology skills. It is evident that we are creating future South Carolina Graduates. There are many wonderful things happening at Hunt Meadows that would not be possible without our faithful volunteers and mentors. They generously give of their time and talents to improve the school and community. The joint effort of students, teachers, parents, and the community continues to be the reason for Hunt Meadows' success. It is our mission to empower children to achieve their fullest potential through challenging and diverse educational opportunities in a safe, child-centered, and nurturing environment that prepares them to be lifelong learners and active, productive members of our community. Torie Tourtellot, Principal and Laurie Kline, SIC Chairman

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
