South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

James B. Edwards Elementary is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe and caring student-empowered learning environment. We provide such an environment through the implementation of our school mission: "Turn students of today...into leaders for tomorrow." We demonstrate this mission by relating our classroom instruction to real-world leadership principles and decision-making skills.

Our teachers are always initiating rigorous and effective ways to provide standards-based instruction in language arts and math for career and college readiness. Some of the strategies include: Lucy Calkins Writing, Document-Based Questions, My Math, science kits, Café, small group instruction, Spanish, Reading interventionist, and Reading Recovery. We are proud of our strong history of academic excellence.

James B. Edwards Elementary offers various opportunities to focus on the development of the whole child. We are in our third year of being a Leader In Me School. As a Leader In Me School, we infuse Stephen Covey's 7 Habits into our school community. Through the implementation of the 7 Habits, we are helping to create young leaders who have the skills of self-reliance, self-discipline, and self-confidence. We also support the use of the Positive Behavior Interventions and Support Program (PBIS) school-wide through our SOAR incentive program. Our guidance counselor provides programs that support our leadership focus and encourages all students to make good choices.

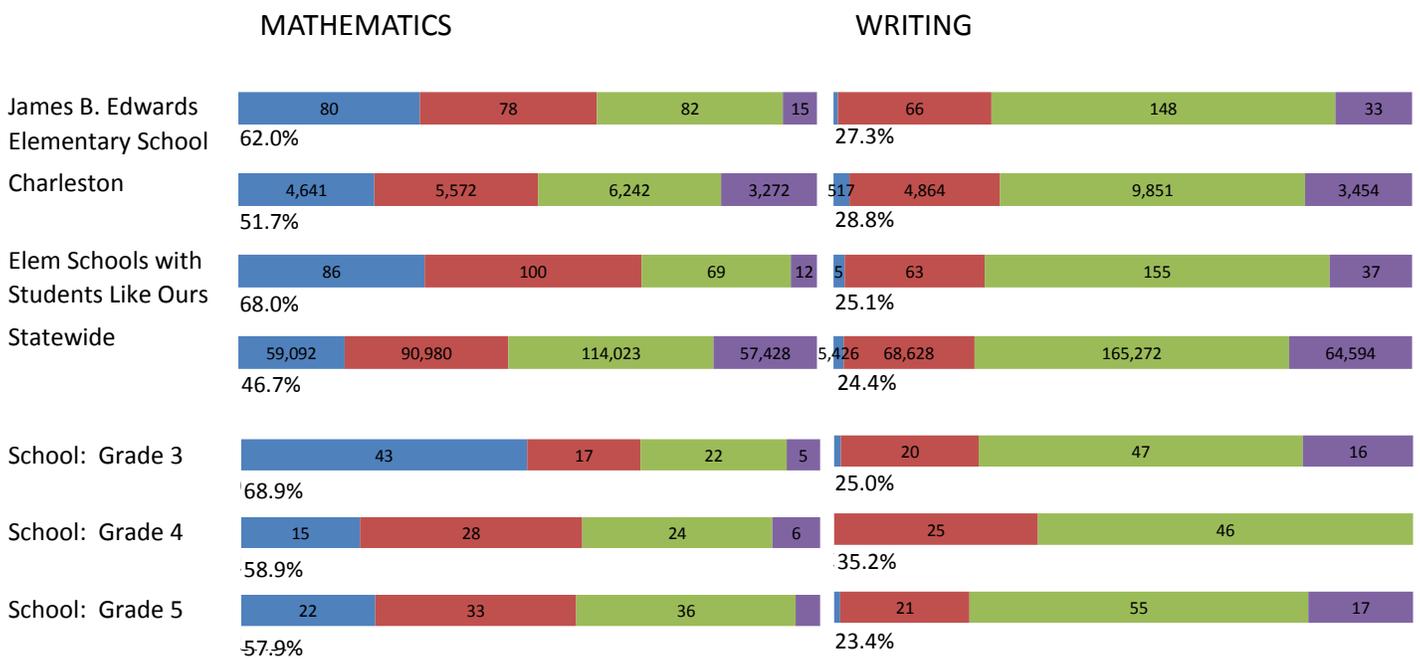

The students of James B. Edwards Elementary have established various partnerships within our community. We partnered with The East Cooper Medical Center and the Low Country Food Bank to collect cereal for children to eat over the summer, our students caroled at the local Senior Center, collected toys for children at The Medical University of South Carolina, donated shoes to Soles for Souls, and collected toys and food for a local animal shelter.

At James B. Edwards Elementary we believe that it is in our hands to create global leaders locally. It is our mission to turn students of today...into leaders for tomorrow!
