South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Alma Elementary is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by working diligently to make learning relevant, rigorous, and authentic. Using the South Carolina College and Career Readiness Standards and district guides, we create a school-wide long range plan resulting in innovative lessons. Abundant resources are available in classrooms, Literacy Center, and Curriculum Lab. Our newly designed Discovery Lab is the learning hub for our ipads. Technology continues to increase. From home, educational sites like Bookflix and Time for Kids can be accessed. We will continue to incorporate ipods, Dell tablets, and flip cameras into our instruction. Students have access to our lab weekly to research. Literacy is an integral part of every day in all subjects. Students read poetry, fiction, and non-fiction daily with opportunities to write and talk about the text. Our students were fortunate to be able to self-select eight books each for extended reading during the summer. This initiative was provided and funded through SC State Department of Education. Students will return to school in the fall with their summer reading logs. At Alma, we refer to our school as "our learning home." As a Positive Behavior Invention Supports (PBIS) school, we believe in creating a family-friendly environment with high-expectations. Response to Intervention (RtI) strategies are valued. Teachers tailor focused instruction lessons to include significant time devoted to actual reading and writing, high-quality instruction, small group and individualized instruction based on students' changing needs. Alma Elementary makes Literacy Matter. Parental participation increased. Parents attended our Back to School Night, Parent-Teacher Conferences, Fall Festival, Title I Parenting Sessions, Awards Days, Talent Show, Field Day and more. Parents also enjoyed the healthy treats during these events from our Fresh Fruit and Vegetable grant. Parents are encouraged to check out resources for home use. Education is a team effort among students, parents, school faculty, and community. Twenty individuals from Milliken-Allen and Magnolia Plants and one from Hamrick Mills serve as mentors weekly to our students. We encourage you to visit our school to see first-hand how parent involvement, teacher dedication and motivated students make a successful school. At Alma, we SHINE as we "think, inspire, imagine, and celebrate." Kim Camp, Principal and Angie Brasington, School Improvement Council Chairperson
