# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

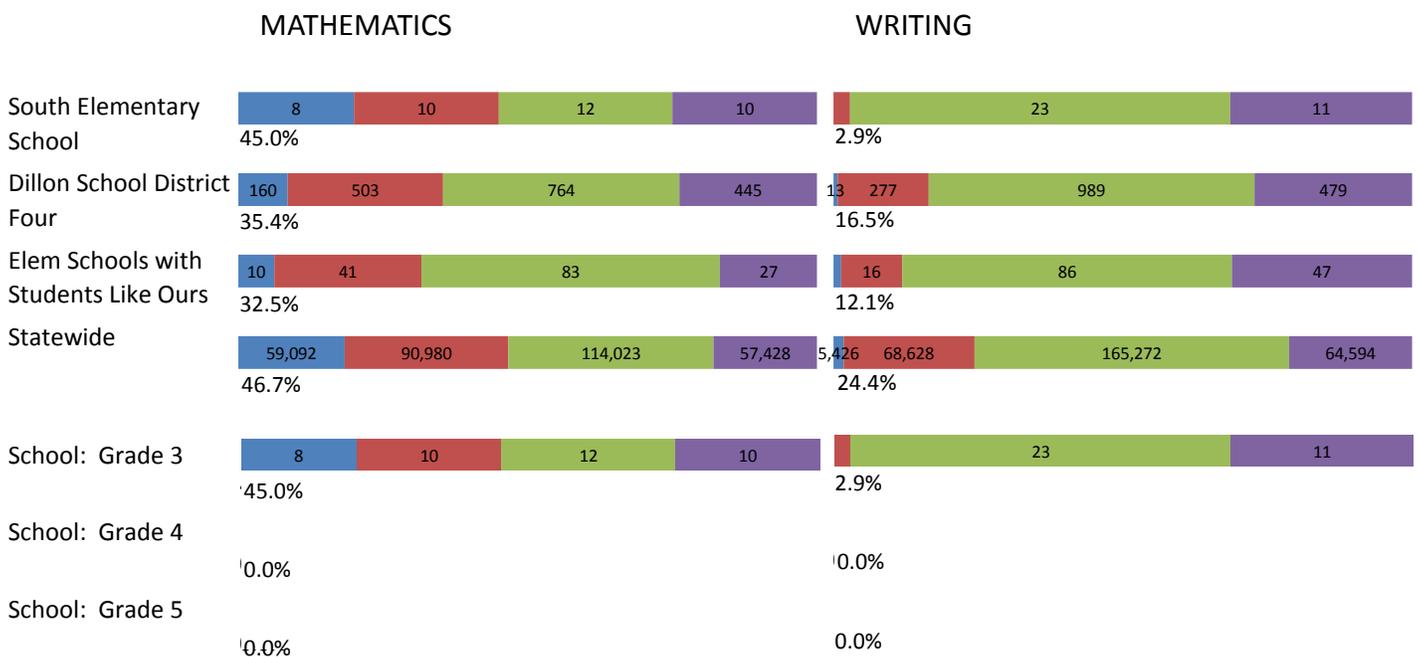

During the 2014-2015 school year, the South Carolina College-and Career-Ready Standards were used in grades Kindergarten through third grade. The school is a Title I Schoolwide Project site due to the fact that ninety-five to ninety-eight percent of the students eat free lunch. The student population averages 85% African-American, 10% White and 5% other. Teachers meet weekly to plan standards based lessons to help prepare the students for the next grade level by:

- ~Guided, shared and independent reading strategies that incorporated authentic writing activities to improve students' reading skills by utilizing flexible groups within the classrooms were implemented school wide.
- ~Staff development and resources geared toward monitoring the progress of all students individually and targeting identified weaknesses.
- ~Staff development workshops on the new South Carolina College and Career Ready Standards in all core subject areas and Response to Intervention (RTI) training were implemented to develop standards-based lessons.
- ~The Soliday Reading program for individual/small group reading intervention was used in ELA to improve academic achievement across the curriculum.
- ~Used problem solving activities that involved real life situations.
- ~Hosted two SCPASS Parent Nights to inform parents about the test and its importance by allowing parents to practice taking the test.
- ~Utilized Promethean Boards, mini notebook computers and iPads in the classrooms to enhance standards based lessons and to motivate the students.
- ~Assessed all certified staff members with the state's technology proficiency assessment to determine their proficiency level.
- ~Purchased hands-on, high interest math materials.
- ~Recognized students for academic excellence during and at a year-end awards program. A graduation ceremony was held for third grade.
- ~Provided weekly guidance lessons for students in kindergarten through third grade.
- ~Published weekly grade level newsletters to inform parents of standards being taught and school programs
