South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Plain Elementary is helping all students develop the world class skills and life and career characteristics of the Profile of the South Graduate by preparing students to become lifelong learners and responsible, productive citizens. Children engage in a rigorous, standards based instructional program in a climate fostering tolerance and diversity. Our many accomplishments this year reflect the school's identity and vision statement: "A School Family – Positively Committed to Excellence!" Students and teachers set individual academic achievement goals and measure results using a data driven process for student growth and continuous improvement. School-wide data analysis reflects solid growth in all academic areas with an emphasis on critical thinking and problem solving skills. Grade level teachers continue to work collaboratively to create common assessments and analyzed results for the purpose of increased student achievement. We provide a morning enrichment program to support students needing remediation in math and reading. We were recognized with a Safe School Award by Upstate Safe Kids for our strong focus on school safety. Our School Improvement Council was integral in completing a safety assessment involving state and community members organized through Safe Schools Upstate. We solidified a school communication plan to broaden support and enhance shared information through the use of weekly phone messages to all families, up-dated school and teacher web-sites, weekly electronic progress reports, up-dates, and school newsletters, and articles in the newspaper. Technology enhancement continued to be a focus with all classrooms receiving computers and iPads to actively engage children in daily lessons. Parental and community involvement is integral to our success. The Parent Teacher Association and School Improvement Council are involved in decision making opportunities. Over 12,000 volunteer hours were logged this year with parents and community members serving as mentors, tutors, guest speakers, and classroom support resources. Our business partner, TreesGreenville, awarded grants to fund the purchase of a variety of fruit and nut trees that were planted on our campus. We also maintained our organic garden which permitted students to plant, harvest, and eat fresh vegetables. We are proud of our accomplishments and continue to make decisions in the best interests of all children. Our identity statement speaks for itself: "A School Family – Positively Committed to Excellence! Debbie Mihalic, Principal Steve Huskins, SIC Chairperson
