

Eleanor S. Rice Elementary School

1802 East Durst Ave.
Greenwood, SC 29649

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-5 Elementary	Principal:	Julian Gale
Enrollment:	524 students	Superintendent:	Darrell Johnson
School Phone:	864-941-5660	Board Chair:	Shell Dula
School Website:	http://www.gwd50.org/Domain/1207		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Eleanor S. Rice Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing an environment where students strive daily to excel academically and prepare socially to compete in a global society. To achieve that environment our teachers meet regularly to plan effective, engaging lessons that address our College and Career Standards, and lessons that are differentiated to focus on individual student needs. Our grade level teams, along with the administration, meet weekly in Professional Learning Communities. Through these PLC meetings, analysis of the individual and class data help to identify areas of strength, areas that needed more emphasis, as well as individual students that may need more specific interventions. Rice has continued to utilize the balanced literacy approach for reading instruction in all grade levels. We continue to have Ranger Time lessons to address an identified area of weakness. Ranger Time is a science lab that utilizes hands-on, standards based, science instruction. We have two reading interventionists that provide support for students in grades 3-5 that perform below grade level. We have continued to provide Reading Recovery for struggling readers in first grade as well as additional reading support for kindergarten and second grade students. Rice Elementary is a proud Responsive Classroom School focused on teaching and acknowledging positive behavior. Incorporating technology has been a major focus for our school through the use of iPads, computer labs, and SmartBoards. Rice students participated in service learning activities throughout the year to give back to our community. Some of those projects included The United Way, Relay for Life, Jump Rope for Heart, and March of Dimes. At Rice we are continuing to strengthen the relationship between school and home. Each grade level held a parent involvement activity within the first nine weeks of school. We also had Grandparents Day, Technology Night, Hispanic Fiesta, PTO meetings, musical performances, Reading in the Garden, Family Nights Out, a Spring Carnival, 100 Book Club Celebrations, as well as monthly Birthday Lunch Celebrations. Eleanor S. Rice Elementary School is committed to making a positive difference in the lives of all of our students. We believe the dedication and talents of our teachers, staff, parents, and community members will help in the development of our future South Carolina graduates and world leaders. Julian Gale, Principal Nelson Jones, School Improvement Council

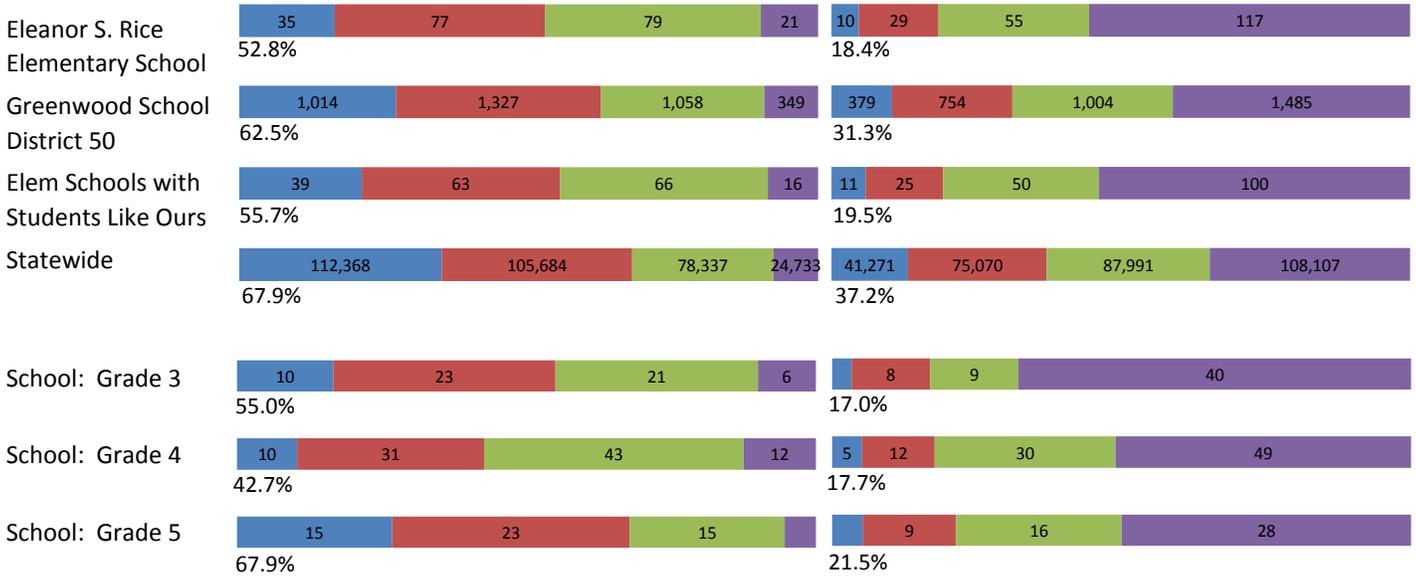

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
