South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Ocean Drive Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ensuring all students are provided with rigorous curriculum in all content areas for career and college readiness. We will continue to grow our students in the use of digital content to make sure they are ready to sustain as they grow in creativity and innovation. We will use critical thinking and problem solving skills along with opportunities for collaboration and teamwork. In using communication, information, media and technology, the students at Ocean Drive Elementary will develop their own sense of "knowing how to learn". At Ocean Drive Elementary School through several brain compatible strategies, Lifelong Guidelines, Life Skills and our Positive Behavior Intervention System, we are modeling, practicing and having high expectations for implementation of integrity, perseverance, self-direction and interpersonal skills. Our use of our character development programs have provided our students with a solid foundation to grow as productive citizens in and out of school. Ocean Drive Elementary transformed from a Pre-K to First Grade school into a Pre-K to Fifth Grade School this year. We have encountered many new adventures along the way but the opportunity to have mentor students within the school and the vertical alignment of students through the years, gives us a continued vision of unlimited possibility with our school and our community. Our community is involved and supports our school and the families within. The school has partnered with the community on numerous events such as "Walk to School Day, Fun Runs, Arbor Day, Palmetto Pride, and Public Safety Department" and more along the way. We are truly fortunate to be in a close proximity area with an abundance of businesses, neighborhoods and public recreation facilities. Renea Fowler, Principal Jill Chandler, SIC Chairperson 2014-15
