South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

At Ford Elementary, we believe that all students can learn and grow. We strive to provide the best possible education for our diverse population of students. Ford Elementary School is providing equal educational opportunities for all students through the use of engaging and appropriate educational practices. Along with academics, we stress a safe and organized environment that is conducive to learning. We strive to provide a safe, caring and academically challenging learning environment. Our teachers seek to learn, implement and use effective strategies to enhance instruction within the classroom. They analyze data and plan instruction that utilizes "Best Practices." They participate in district and school level professional development. The teachers also plan with teams in grade level planning and with the instructional coach in Professional Learning Communities. We encourage parental and community involvement in various activities such as; family fun nights, academic nights, tutors, etc. We believe that the school, family and community must share the responsibility of educating our children. We also provide extra academic assistance throughout the year. We have programs like enrichment, student tutors, afterschool program and summer school camp. At Ford we believe that we need to find ways to meet the needs of the whole child, too. During the school year we provide universal breakfast along with the lunch opportunities. We participate in the "Healthy Snacks" Program. We also partner with Harvest Hope and local churches to provide back packs of food to be taken home over the weekend. We serve about twenty-four families in this program. Our population is ever growing and changing at Ford. As a school, we must continue to grow and change in order to meet the challenges that lie ahead.
