South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Vision: Gray Court-Owings (Pre-K-8) will be a school of excellence and equity in educational practices for all learners. The mission of Gray Court-Owings School is to create a community of learners who are responsible and productive citizens. We value commitment to excellence in all we do, active involvement in our school and community, and positive interaction. We envision a culture of learning that promotes social and academic development. Academic gain for students is our primary goal. These gains are possible through quality instruction in an engaging learning environment. Our teachers are highly qualified and fully committed to providing safe, respectful, and literacy rich learning opportunities for each student. We continue to work in professional learning communities for planning and professional development. Our Title I Project provided funding to support a full time instructional coach, two reading interventionists, a full time computer lab assistant, one teacher for class size reduction, Adair Outdoor Science Center transportation, parenting supplies, and instructional supplies. We strive to be a learning community, and we make every attempt to allow research and best practice to inform and differentiate instruction. This task is accomplished most successfully when professionals see the value of their own continuous learning and growth. Teachers participate in district and school based professional development. Many teachers have advanced degrees, three have earned administrative certification, and both principal and assistant principal hold the Doctor of Philosophy degree. We are very proud of our business partnership with Vulcan Materials and Walmart, our faith-based partnership with Friendship Baptist Church, and our students and staff contribute to causes in our community and beyond. We support United Way and Relay for Life. We are committed to reducing our ecological footprint and collaborating with the county and other groups in green efforts. We expect to continue to move toward our goal of academic success for every child. Please visit us on our campus or on our website at www.laurens55.k12.sc.us/gces.
