South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Harbison West Elementary is committed to creating an educational environment that will ensure our students success in school and in life. We understand that the knowledge, skills and competencies acquired now will be the foundation for future learning.

This year, Harbison West Elementary School continued to excel academically. We have a superior cadre of teachers who are totally dedicated to student success. Harbison West Elementary School continues to recruit and retain the very best teachers possible. We have established a rigorous and relevant curriculum that ensures our students exceed established standards. Our teachers possess a variety of experiences and expertise; including Gifted and Talented Endorsement, Special Education Certifications, National Board Certification, and all teachers are Highly Qualified. Teachers continue to implement innovative, teaching methods and best practices for instruction with the aid of our strong instructional support team. Because of this support system, our school was able to achieve an Excellent rating.

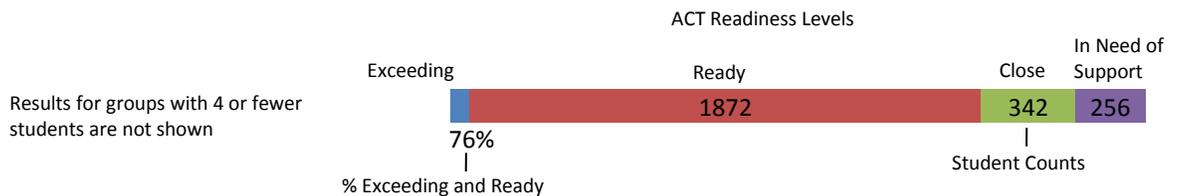

Over the last four years, District Five has implemented an aggressive technology plan. The guiding principal for that initiative is to ensure that our students can be successful in school and compete globally. Our focus is to help students become creators, communicators, critical thinkers and collaborators. Teachers purposefully plan lessons and provide students with opportunities to grow and develop twenty-first century skills. Technology is utilized as a tool by students and teachers to enhance the educational experience and to make meaningful connections locally and world-wide.

At Harbison West Elementary our goal is to provide students with experiences and programs of study that will help make them good citizens. We know that characteristics taught in school will carry-over to their college and career successes. Our guidance counselor and social worker work collaboratively to provide our students with the necessary skills to become productive and contributing citizens.
