South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by helping our students find success inside and out of the classroom through an instructional approach that focuses on enhancing students' critical thinking and problem solving skills. The mission of Westminster Elementary is to develop literate, responsible, productive, life-long learners by providing developmentally appropriate, innovative experiences that ensure success, respect individuality and foster a secure, nurturing environment in partnership with home and community. At WES, we analyze state, district, and school wide formative and summative assessment data to drive our daily instruction to meet our students' academic needs. Our MAP (Measuring Academic Progress) data is one of the many data pieces we use to maximize enrichment and remediation opportunities for each student based on academic strengths and weaknesses. Our school wide focus is to maximize individual student growth through our instructional practices and delivery. We use MAP data, and other assessment data, as progress monitoring tools to help us challenge each student at individually appropriate levels to maximize individual academic growth. We believe that small group instruction is the key to getting to know individual student's strengths, weaknesses, and needs. Westminster Elementary School is truly a family environment. Our PTO sponsors several family nights throughout the year in order to encourage family and community participation. Our movie nights, literacy nights, and math and science nights are well attended, community wide events that allow the community a glimpse into our unique, friendly environment. Our school wide PBIS celebrations are elaborate events that allow positive behaviors to be celebrated in exciting ways that keep the students motivated. It is through the hard work of faculty, staff, parents, students and the community that Westminster Elementary continues to stand as source of pride for the Westminster community. Principal – Chad Lusk SIC Chair – Meredith Williams
