

Mellichamp Elementary School

350 Murray Road
Orangeburg, SC 29115

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades: PK-5 Elementary

Enrollment: 489 students

School Phone: 803-534-8044

School Website: <http://meles.ocsd5.net/>

Principal: Hayward Jean

Superintendent: Dr. Cynthia Wilson

Board Chair: Mary B. Ulmer

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

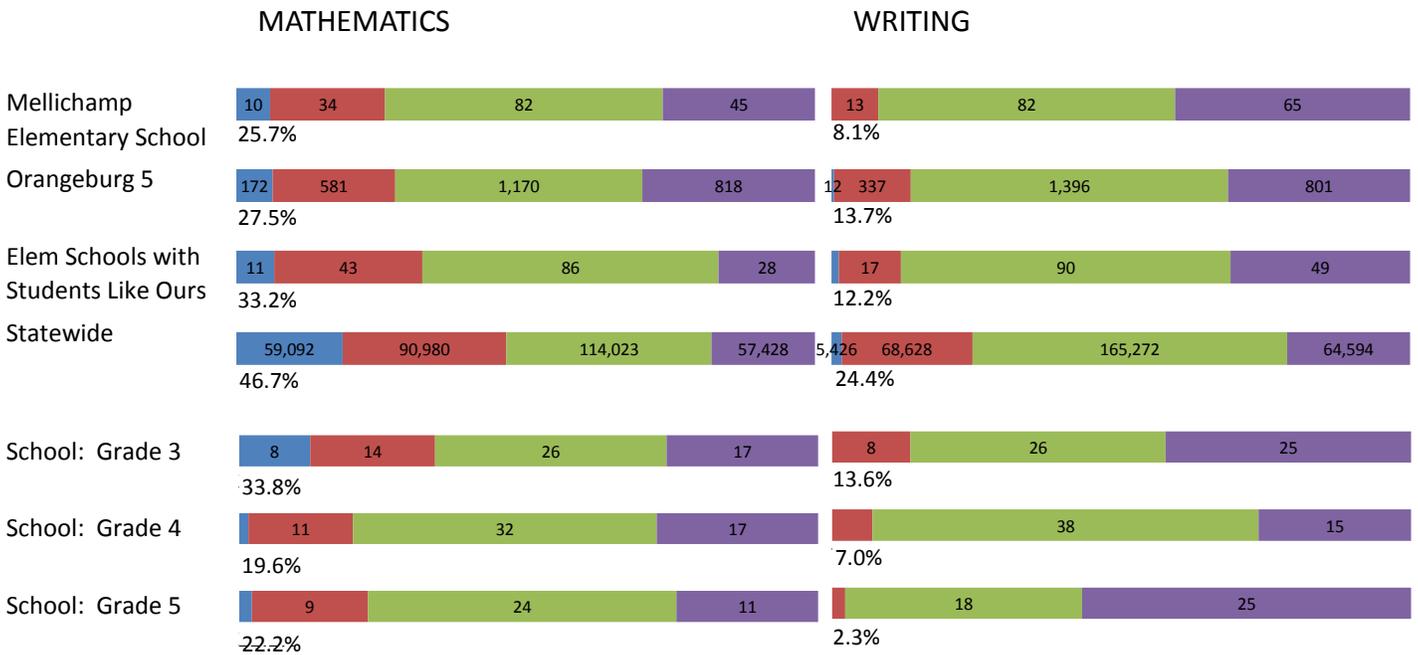

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Mellichamp Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by developing a culture where we ensure academic success for all students, through the Mellichamp 5. The Mellichamp 5 consists of our key areas of focus for student learning and professional development. These areas are: Literacy, Problem Solving Skills in Math, Technology Integration, Public Speaking, and Community Collaboration. Our reading coach receives training necessary to develop reading teachers and also assists them with building a culture of reading in their classrooms. The American Reading Company, a system designed to improve students' reading practice and growth towards becoming on and above grade-level readers, provides our teachers and students with continuous learning. Our instructional and digital resource coaches provide teachers and students with instructional strategies and technology integration to increase and deepen their problem solving skills. Assessments such as STAR Reading and Math, MAPS (Measures of Academic Progress), and ACT Aspire benchmarks help our learning community assess the level of rigor we provide students. Our most important focus is to develop our students' sense of purpose and servant-leadership skills. We do this with the help of strong community partners. We are supported by cooperative parents, several local businesses, organizations, colleges, universities, and churches. Groups such as Into the Mouth of Babes provide healthy snacks for children every Friday. The OGHO (Orangeburg Homeboy Golf Outing) Association provides students with mentorship through the game of golf, and teaches our students communication and collaboration skills on the golf course. These and other reputable groups offer academic, emotional, and social support in the areas of mentoring, tutoring, monetary donations, food and clothing, school beautification, and incentives for students' academic and behavioral achievement. Through a college and career bound culture, students visit colleges and we host career fairs to inspire them to seek higher learning opportunities. Students even develop mentor relationships with college students and career professionals throughout the year. We are committed to seeing students actualize their highest academic and leadership potential through world-class teaching and learning, and exposure to high-level applications of their learning. Dana Gardner School Improvement Council Chair Hayward R. Jean Principal

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
