South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

The 2014-2015 school year was a great one at East End Elementary. Our school is helping all students develop the world class skills and life career characteristics of the Profile of the South Carolina graduate by offering opportunities to enhance the learning, critical thinking and problem solving of our students through real-life world applications in experiences such as the Ignite classrooms in grades 1, 2, and 3, our FLL Lego Robotics Team, Jet Toy Challenge, RTI (Response to Intervention) in grades K5 and 1st, , LLI (Leveled Literacy Intervention) instruction in 1st, 2nd, and 3rd Ignite classrooms as well as our resource program. In addition to this classroom instruction that assists in promoting the critical thinking and problem solving skills of our students is a priority. New plans for 2015-2016 include technology upgrades both in our student laptops, mini-lab, computer lab, as well as two mobile lab carts. In addition, our school will implement PLTW (Project Lead The Way) Launch program, which is an initiative to enhance learning in science, technology, engineering and mathematics. Additional STEM (Science, Technology and Engineering) initiatives are planned, as well. We are privileged to serve very precious young students each and every day as they join us for their elementary years at East End. The East End team remains dedicated to providing the very best for the East End students. East End received an "A" letter grade on school report cards under South Carolina's ESEA (Elementary Secondary Act) waiver that indicates the level of student achievement. Our PASS test scores noted an Excellent rating on the absolute performance index. East End was named a National School of Caring for the Souper Bowl of Caring outreach. East End was also named a Safe Kids School by Safe Kids of the upstate for our practices to promote the safety of our students. East End continued the Multiplication Award this year with tremendous results for our 3rd – 5th graders. Over 200 of our students in these grade levels earned this recognition with a Multiplication Medal at Awards Day. East End remains a Promi5e Place by America's Promise Alliance for having the five things that children need in place to meet with success. These are caring adults, safe places, a healthy start, an effective education, and opportunities to help others. We remain the only elementary school in the state to achieve this recognition. We continue to believe it is not about this recognition, but the daily practice that takes place at East End each and every day on behalf of our students. East End continues its Pups Pack program that feeds over 30 individuals in need of additional food in the home throughout the school year. The partnership with Feed a Hungry Child and our SIC makes this possible. East End's SIC and PTO have very dedicated volunteers who truly make a difference in the lives of the students. The Mission of East End Elementary is "Excelling in Academics, Encouraging Character, Embracing the Community, and Seeking Success for All Students." Our PTO and SIC are two strong and very vital forces in making this happen. We continue to strive to
