South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Pine Grove Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by providing all students an environment that is conducive to learning in all academic areas. Pine Grove Elementary strives to educate children, develop a strong home/school relationship and maintain partnerships within the community. Our mission is to be a leader in transforming lives through education, by empowering all students to achieve their potential and dreams. Our staff is comprised of forty-four certified staff members, seven of which are National Board Certified Teachers. Faculty and staff members will continue to participate in ongoing professional development activities. As a staff we will continue to use instructional strategies, our math interventionist and reading coach to assist in increasing academic success. Our Positive Behavior Interventions Supports (PBIS) will continue to be implemented with a focus on responsible student behavior.

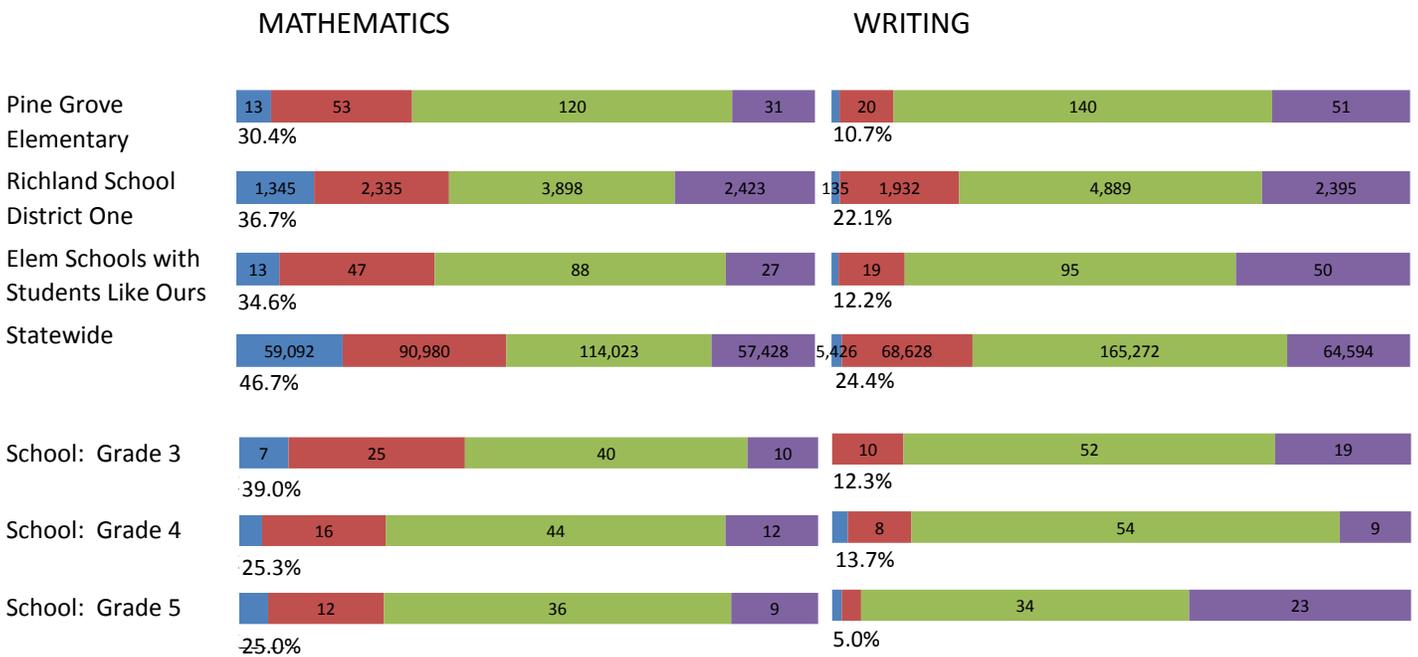

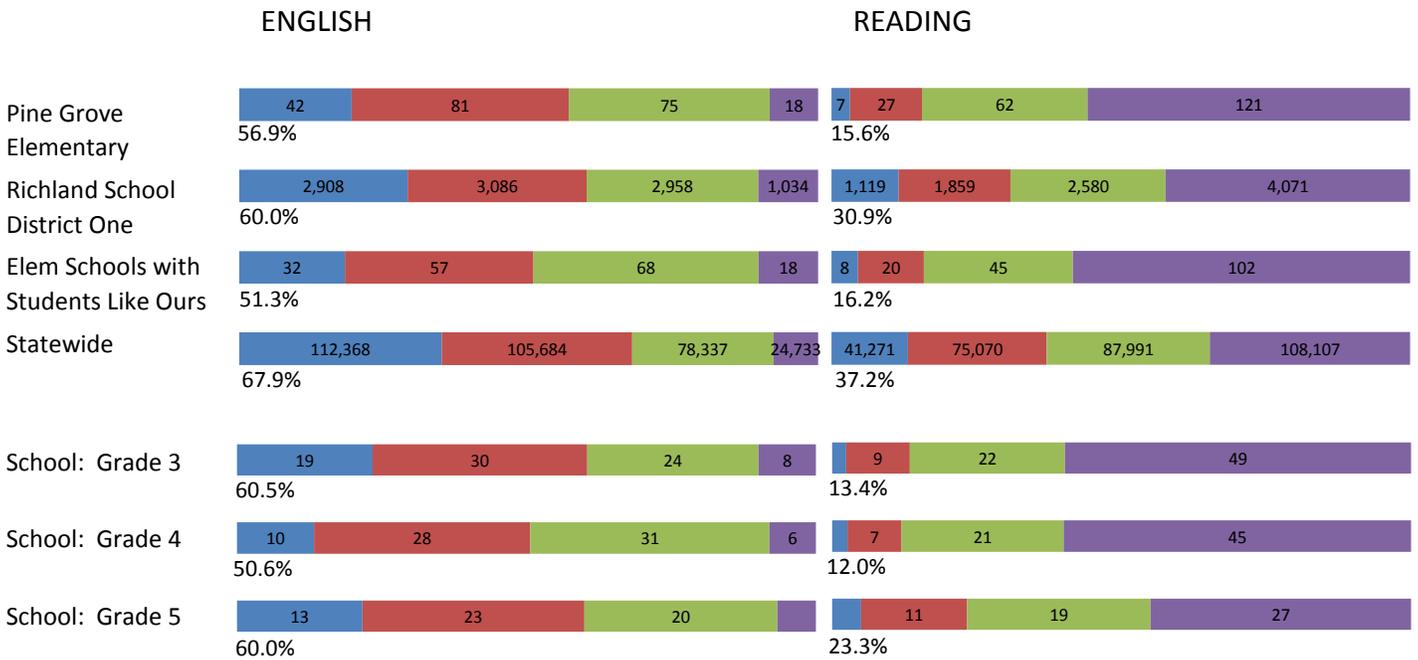

Our Parent Teacher Association and School Improvement Council continued to encourage parental involvement with civic engagement in our student's education. Our annual Parent University night allowed parents to have the opportunity to participate in various workshops that allowed them to have a hands on experience with instructional strategies that support learning. Our annual Pine Grove Ball continues to be a great success which allowed community businesses to partner with our school. The Midlands Reading Consortium along with employees from the South Carolina Department of Corrections provided volunteer service time with our students by providing one on one reading time and lunch buddy time for our students. Our faith based partner Pine Grove A.M.E. continued to render outstanding support through their volunteer services and financial sponsorship to our school. Additionally, Right Direction Church International gifted our school a financial donation of \$6,000.00 for the purchase of technology learning tools. Pine Grove Elementary will continue to strive for academic success for all students. This will be achieved by a community of learners in each classroom and positive parental involvement.
