WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

We have concluded our ninth year at Sandlapper Elementary with more showcases of student leadership than ever before. Our students have led the surrounding community in Service Learning Projects that benefit children locally and globally. They have designed projects that interweave the critical state standards with excitement and engagement of learning.

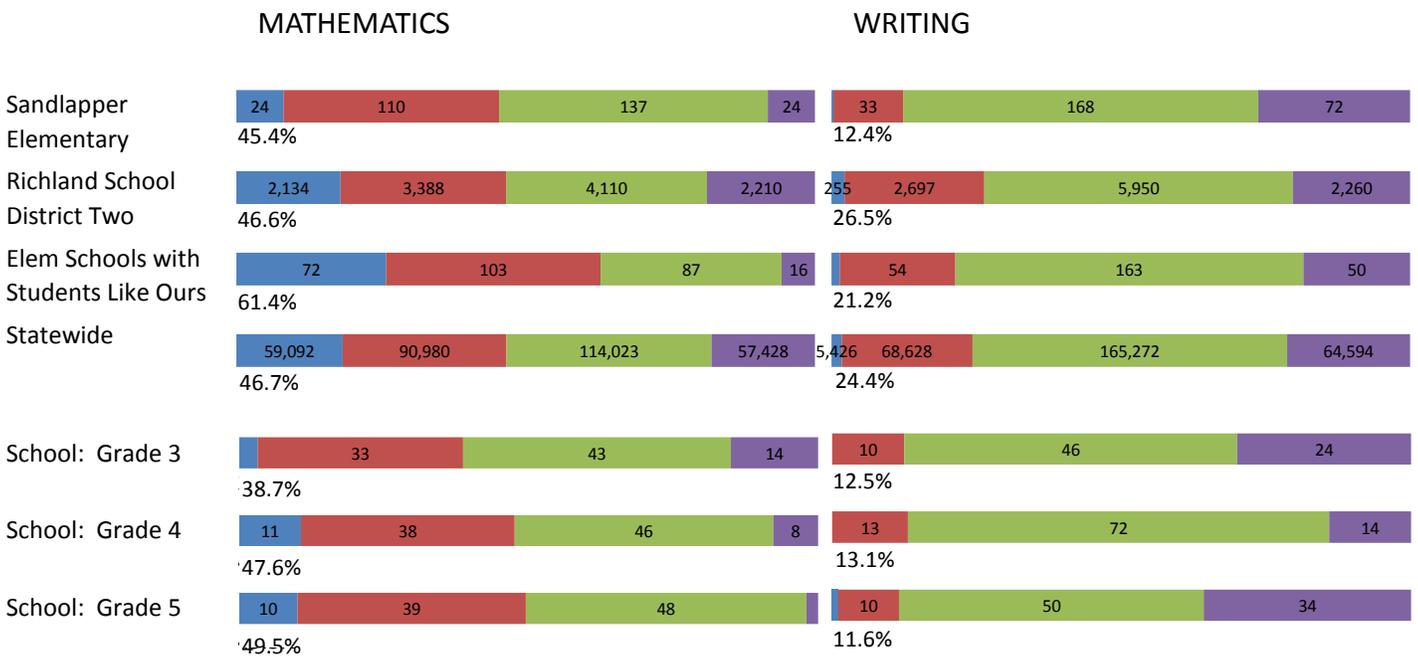

Sandlapper Elementary is helping all students develop the world class skills and life & career characteristics of the "Profile of the SC Graduate" through our continued emphasis of a positive, safe school culture and student leadership through the "Leader in Me" Model. Students learn, practice and lead through active engagement of the 7 Habits, becoming critical thinkers, problem solvers, collaborators, capable communicators and ethical citizens. Best practices such as Project-Based Learning, Hands-on Learning, Differentiated Instruction, and Response to Interventions build the knowledge and skills of the "Profile of the Graduate." Rigorous standards combined with creativity, innovation and teamwork equip our students with college and career readiness. Embracing the One-2-One technologies assists in customizing learning for individual students and connects them to their greater world. Our staff, SIC, and PTO have provided many opportunities for our families and community to become involved including Strategic Planning, Veteran's Day activities, Family Dance, Spring Fling, and the Military groups and events. Through the "Victory Initiative" Department of Defense Grant, we have benefitted from unique staff development, materials and opportunities to better meet the needs of our students. With commitment by all... students, faculty and staff, parents, community, and businesses, we have created an enviable, safe, supportive and challenging environment for our young learners. Test scores alone cannot depict the exemplary efforts and achievements of our students. With the release of the 2015 ACT Aspire and PASS results, we will carefully analyze and strategize for continued improvement. We continue to study our growth data from NWEA's MAP as well as formative to chart literacy and mathematical growth of our students.

We are very proud of our accomplishments and hope that you will share in our pride. Thank you for your support and for sharing the responsibilities of the success of our students and of Sandlapper Elementary.

Phillip Blackwell, SIC Chair
