# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Campobello Gramling School provides an opportunity for every student to be challenged, embraced and given the tools to be college and career ready. We have created a culture that provides a student-centered education and believe it is our responsibility to nurture individual learning styles as we prepare our future South Carolina graduates to lead our state and nation as global leaders. Campobello Gramling School completed the 2014-2015 school year with many accomplishments. Academically, seven eighth grade students were recognized as South Carolina Junior Scholars. Two students were selected to attend the Scholars Academy program at the University of South Carolina Upstate for the 2015-2016 school year. In addition, one hundred percent of the eighth grade Algebra I class passed the End of Course test. Our academic arts classes continue to offer award-winning programs. The seventh and eighth grade band participated in the solo and ensemble festival, receiving 8 superior and 4 excellent ratings. The 8th grade band also participated in the SC Band Director's Association Concert Festival receiving a good rating. The CGS middle school and Honors chorus (4th - 6th grade) participated in the Carowinds Choral Festival and both received a Superior rating. For the second year and a row the CGS orchestra scored a superior rating in The South Carolina Music Educators Association Orchestra Division Solo and Ensemble Festival. The Orchestra also received 12 individual superiors and 6 excellents. Our art program continues to earn awards in all grades on national, state, and local levels. The faculty and staff of Campobello Gramling School seek to support charitable causes and encourage our students to do the same. This year, CGS raised money for March of Dimes (\$1,100) and Relay for Life (\$7,900), and delivered over 7,400 Christmas cards to wounded veterans. In total, the faculty, staff and students of CGS raised over \$9,000 for charities. This could not have been possible without the generous support of our community. Throughout the year, teachers participated in a variety of staff development opportunities including study groups, literacy training, vertical articulation and the implementation of the college and career readiness standards. While we celebrate our many accomplishments in the 2014-15 school year, we are already planning for success in the year to come. John M. Hodge, Principal Greg Cogdell, SIC Chair
