

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Spring Hill High School, a Career Pathways Magnet School, is committed to creating an educational environment that will ensure our students success in school and in life. Our students receive an established program of study that requires specific theme-based courses as well as extended learning opportunities which promote college and career readiness and preparation to compete in a global society.

World Class Knowledge—This year, Spring Hill High School (SHHS) continued to excel academically as we encouraged our students to discover their passion by offering five focus programs to include: Engineering, Entertainment, Entrepreneurial, Environmental Studies, and Exercise Science. While our students come together from all areas of Lexington and Richland School District Five and represent a heterogeneous mixture in terms of ethnicity, religion and socioeconomic status, they have similar academic goals, mindset, and motivation. In order to help our students achieve success, we continue to recruit and retain great teachers dedicated to providing a world class education.

World Class Skills—Over the last four years, District Five has implemented an aggressive technology plan. The guiding principle for that initiative is to ensure that our students can be successful in school and compete globally. Our focus is to help students become creators, communicators, critical thinkers and collaborators. Our mission is to provide a collaborative learning community rich in personal connections that cultivates innovative thinkers prepared to meet the challenges of the 21st century.

Life and Career Characteristics—At Spring Hill High School our goal is also to provide our students with experiences and programs of study that will help make them good citizens. We recognize that these qualities developed in school will enhance their college and career readiness. Our SHHS family has embraced the school motto *The Way...Working with Others, Academically Focused, Youth Inspired*. The SHHS Way sets expectations and promotes a positive school environment. Our students are the embodiment of the motto and are actively engaged in our school and community.

Our District motto is "Pursuing Excellence for Tomorrow's Challenges." We are very proud at Spring Hill High School to know that we are indeed preparing students for success in school, in the work place, and in life.

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
64.7	38.2	46.8	38.2	22.5

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
