

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

W. J. Keenan High School is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by continuing to increase student achievement. We will focus on continuing to make gains on all standardized tests such as SAT, ACT, and EOCEP. Additionally, we will focus on improving the graduation rate, attendance rate, and retention rates at each grade level.

Keenan High School students with a taste for adventure and an interest in engineering have the opportunity to participate in ACCElerate, a new virtual engineering program designed to help high school students' jumpstart their engineering degrees and careers. Richland One is one of the first eight school districts in the state selected to partner with the prestigious South Carolina Governor's School for Science and Mathematics (SC GSSM), which is located in Hartsville. Students will remain at their home high schools while participating in virtual classes, Saturday team projects and summer internships.

Keenan is a High Schools That Work (HSTW) site. All teachers are trained in the utilization of "best practices" to increase the academic success of each student. Areas of focus include literacy, development of senior projects, data driven decisions, career and technical training. During 2010-2011 we implemented College Summit to improve post-secondary education opportunities and preparation of our seniors. Additionally, we are a PBIS (Positive Behavior and Intervention Strategy) school developing strategies to recognize students for their positive behavior and achievements. All teachers are assigned to PLC (Professional Learning Communities) to develop instructional strategies to better serve our students. Our faculty, staff, students and parents work together as a team to make certain all students at Keenan are successful. I. DeQuincy Newman United Methodist Church has maintained a strong partnership assisting with our ninth grade population of students and their academic success.

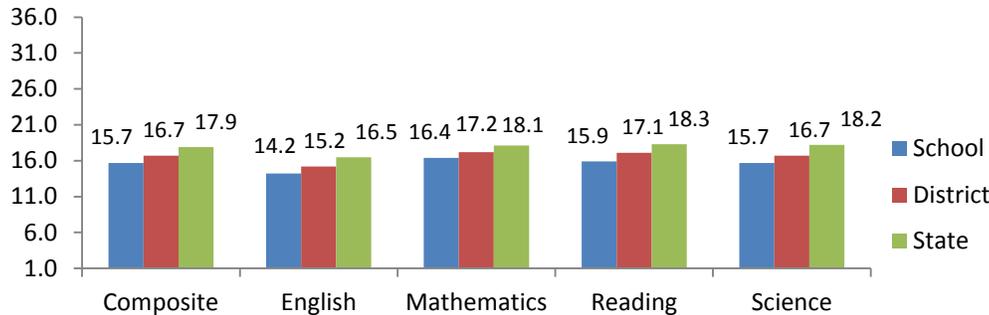

Keenan has been recognized for the following: 2010-2011 and 2011-2012 Palmetto Silver Award by the state of South Carolina for making substantial progress in closing the achievement gap; 2011-2012 Palmetto Gold Award for general performance. During the 2014-2015 school year W. J. Keenan received national STEM accreditation as determined by STEM Certification Review conducted by AdvancED. We are proud of our accomplishments and will work hard every day to reach higher levels of success.

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

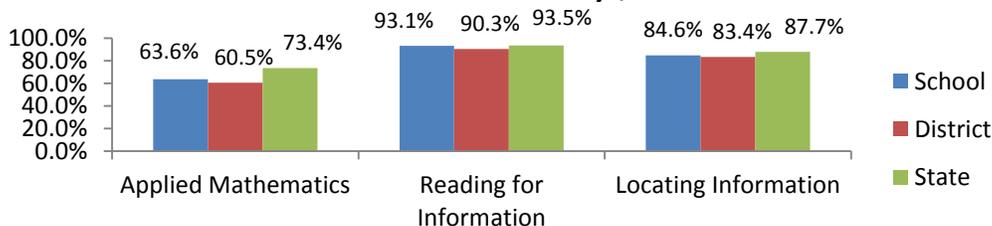

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
22	8	10.7	5.3	0.7

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
