

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Broome High School has experienced academic success in many areas this past school year, and the incorporation of technology into all areas of the curriculum continued to be a major focus. We continued to see great gains on the U.S. History and the Algebra1/Math Tech 2 End-of-Course Exams, while English and Biology remain strong. Broome led the way with instruction in renewable energy by continuing the Green STEM program, designed to integrate concepts of "green" technologies with science, engineering, computer technology, and math. Dual enrollment programs, Advanced Placement classes, and the Scholars Academy allowed students to earn college credits while still enrolled in high school, giving them a head start in post-secondary learning. We had seven students enrolled in the Scholars Academy; eighty-three students took advantage of our AP offerings, and more than one hundred were enrolled in dual credit courses. Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by integrating instructional technology into our classrooms through our 1:1 mobile learning initiative which placed a laptop in the hands of every student. Online learning programs such as Carnegie and Odysseyware were used to recover course credits, re-teach, and strengthen learning. Power Teacher/Power School provided parents online access to their student's grades and attendance. Pregnant students and students with children attended life-skills and parenting workshops throughout the year. Career awareness activities provided students the opportunity to hear guest speakers, learn how to use computer software applications, participate in field studies, and participate in job shadowing activities. Broome High School continues to emphasize excellence in all of our students, while our faculty and staff are encouraged to push our students to achieve their full potential.

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
35.1	12.2	20.5	11.2	4.4

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
