South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by... Our motto at Newberry High School is "Setting the Standards for Excellence" and during the 2015 school year our teachers and students continued to work aggressively to ensure that we lived up to it. Our teachers continued their work with the Leadership and Learn Center to improve our efforts with our Data Teams. Teachers continued to write common assessments during their common planning and worked to see measurable growth of their students. This work continued to prepare our teachers for the upcoming Student Learning Objective component that will be a part of the SC Teacher Evaluation System. Our Literacy and Math Coaches worked to provide professional development, instructional strategies and data team support for our teachers. We were able to add additional opportunities for our students and teachers with more technology. We were able to add iPads for teachers to use in classrooms and MacBooks in our science department to enhance student opportunities for virtual labs and increase their communication, information, media and technology of their World Class Skills. As the district expanded the STEM initiative, we were able to offer Introduction to Engineering Design and address the World Class Knowledge component in regards to STEM. NHS continued setting the standard for excellence by competing in the academics, arts, athletics, and community activities. In an effort to celebrate our students and their post-secondary plans, we had our first "College Signing Day" and we had over thirty students participate. We were able to acknowledge their acceptance to college or their commitment to the military. The 2015 graduating class earned a total of \$1,044,063 in scholarships and 83 students qualified for LIFE scholarships at a two- or four- year institution. Many of our athletic teams were successful and further prepared them with World Class Skills of collaboration and teamwork as well as Life and Career Characteristics of perseverance, integrity, and work ethic. We clinched the AA-Division 1 Upper State Football Championship and our girls' basketball team were Region Champions and the Upper State Runner-Ups. Our students continued their work with Pennies for Patients, Relay for Life for Cancer Awareness and Santa for Seniors (Senior Citizen Project). We are proud of the efforts of our students, faculty/staff, and our parents. We will continue to work together to pursue excellence and to ensure that our students are prepared to be well-rounded, productive citizens when they leave NHS.

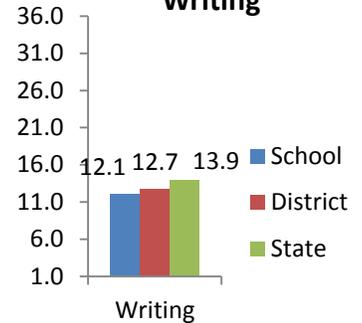

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

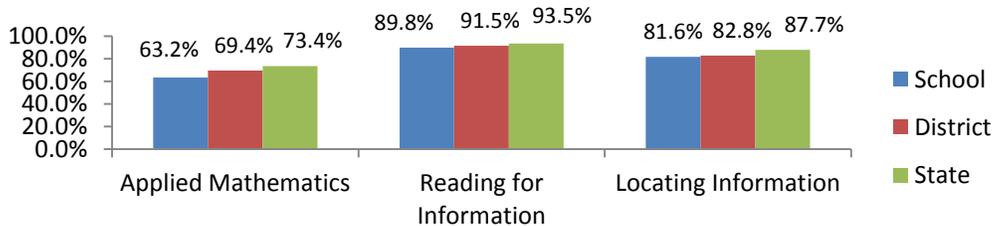

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
14.9	10.9	12.6	7.4	4

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
