Dear Dr. Burns:

The Teacher Education Program at Furman University hereby notifies the South Carolina Department of Education that we are discontinuing the certification program in Latin effective immediately. Our last Latin certification candidate completed the program in 2006.

As a result of this decision, we will not be submitting a program review to The American Council on the Teaching of Foreign Languages (ACTFL) during our next accreditation cycle.

Please let us know if you have any questions or concerns.

Sincerely,

Nelly Hecker
