

Applicants with a current, standard certificate/license issued by another state, the District of Columbia, a United States territory, or the Department of Defense Dependents Schools (DODDS), **may be eligible** for licensure through South Carolina's reciprocity agreement. **If you hold an out-of-state certificate/license that is either not standard* or current** this chart will transfer you to other licensure options in South Carolina. If you have additional questions or concerns, please contact our office by using the methods listed below.**

*A standard license is a clear, renewable certificate with no disciplinary holds. Our office does not accept Temporary, Lateral, or Alternative certificates for reciprocity. Standard licenses earned through alternative routes are subject to review.

** A current certificate is a valid certificate that allows the applicant to serve in a public school setting located in the reciprocating state. (Example: I am transferring an Alabama certificate that currently allows me to serve in an Alabama public school setting.)

Licensure staff are available Monday - Friday 8:30 AM - 4:30 PM (excluding state holidays)
