

# Online Testing Waiver Request

This form is for a request to waive administering online assessments during the 2016–17 school year pursuant to the General Appropriations Act, 2016 S.C. Acts 284, Proviso 1.88 (Proviso 1.88) (SDE: Technology Technical Assistance). If the State Board of Education approves this waiver, the named assessment(s) may be administered via paper and pencil in spring 2017.

*Please state specific reason(s) why the named assessments cannot be administered online during the 2016–17 school year. Also please specify how these concerns will be addressed to alleviate the inability to test online in the following school year (2017–18).*

*Potential limitations may include, but are not limited to, inadequate testing facilities or insufficient infrastructure resources needed to conduct these assessments online. Provide any supporting documentation such as: District Technology Readiness Study Final Report, Testing Technical Specifications, Network Connectivity, Hardware Availability, etc.*

Please send the request to Darlene Prevatt, Team Leader, Office of Federal and State Accountability, 1429 Senate Street Room 501-A, Columbia, SC 29201.
