Issued **4/9/97**

Constitutional and Statutory Provisions:

Site Acquisition

Code of Laws of South Carolina, 1976, as amended: §59-5-100. The State Board of Education may make surveys incident to the acquisition of sites for public schools.

Contracts

Any construction financed from the state public school building fund is subject to the approval of the State Board of Education. (See §59-21-410, South Carolina Code.) The State Board of Education shall prescribe rules and regulations to ensure that funds from the state public school building fund are used wisely. (See §59-21-400, South Carolina Code.)

State Board Rule:

The State Board, through Regulation, has given the final authority of site approval to the State Department of Education.
