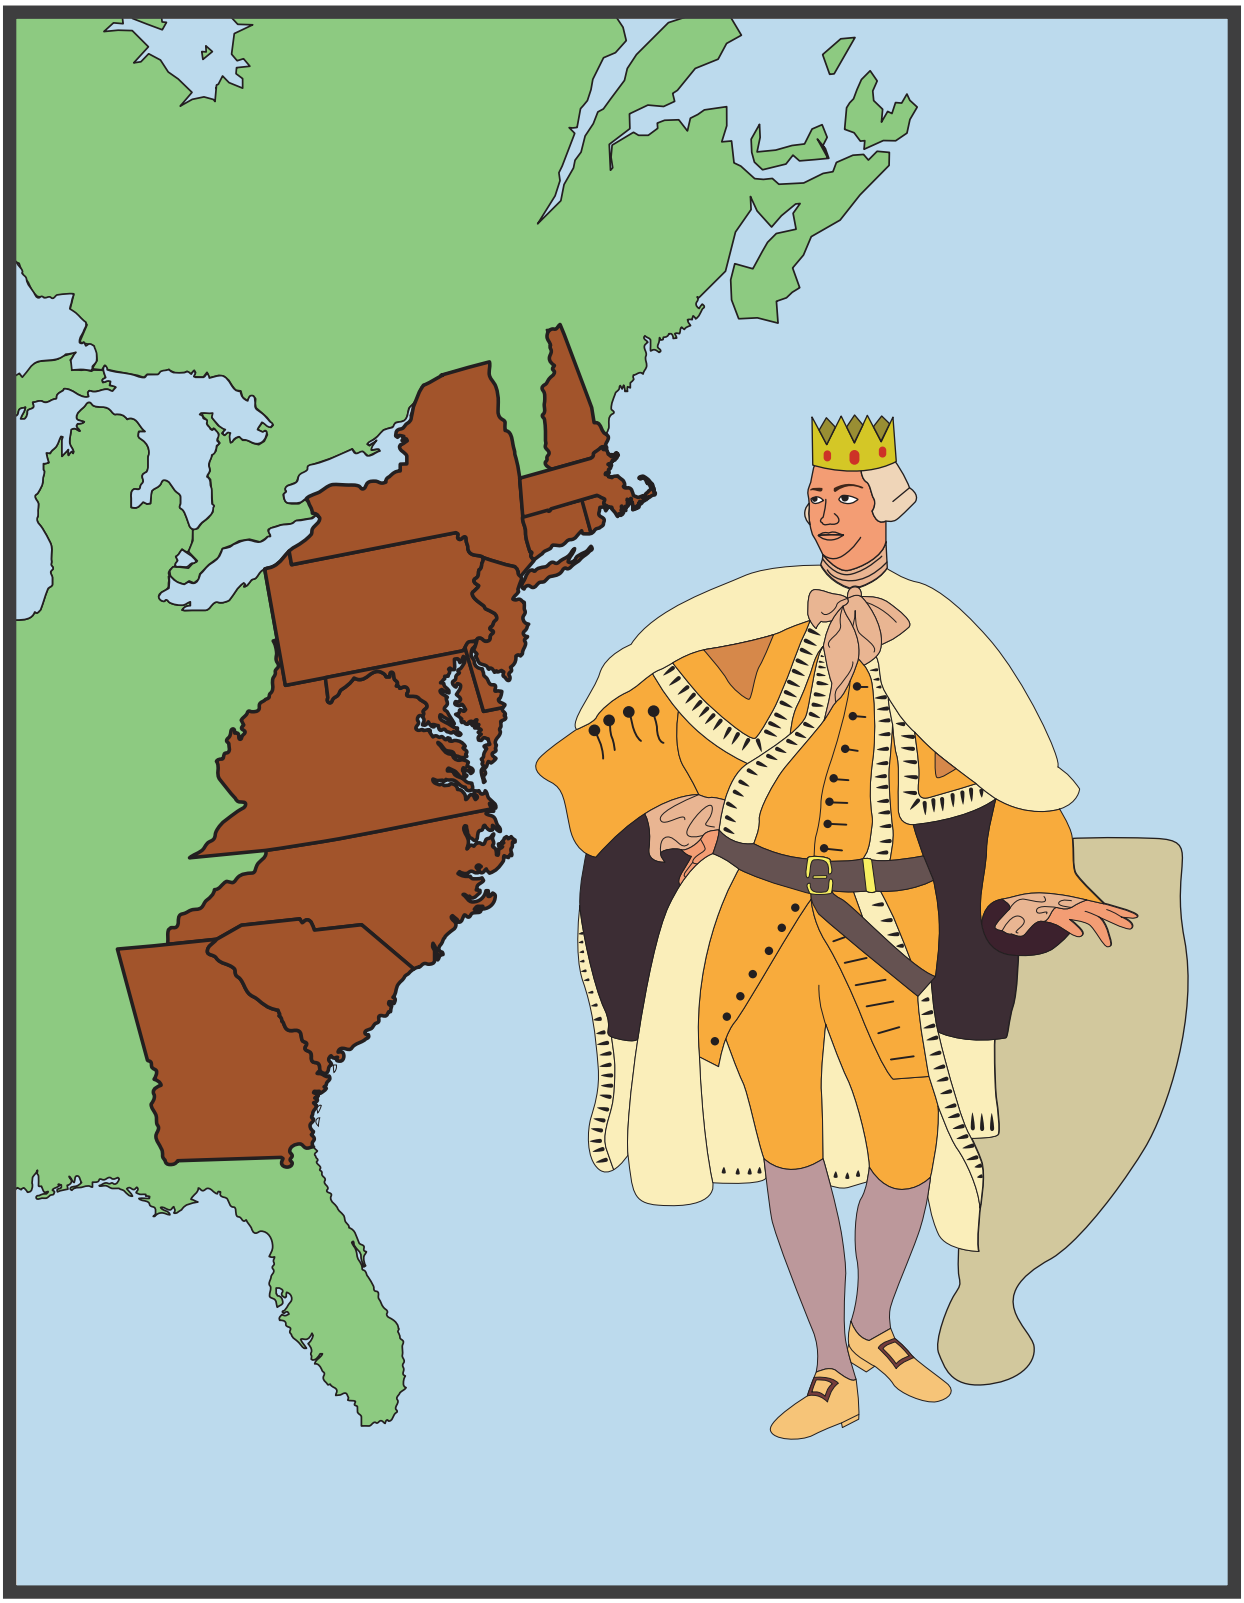
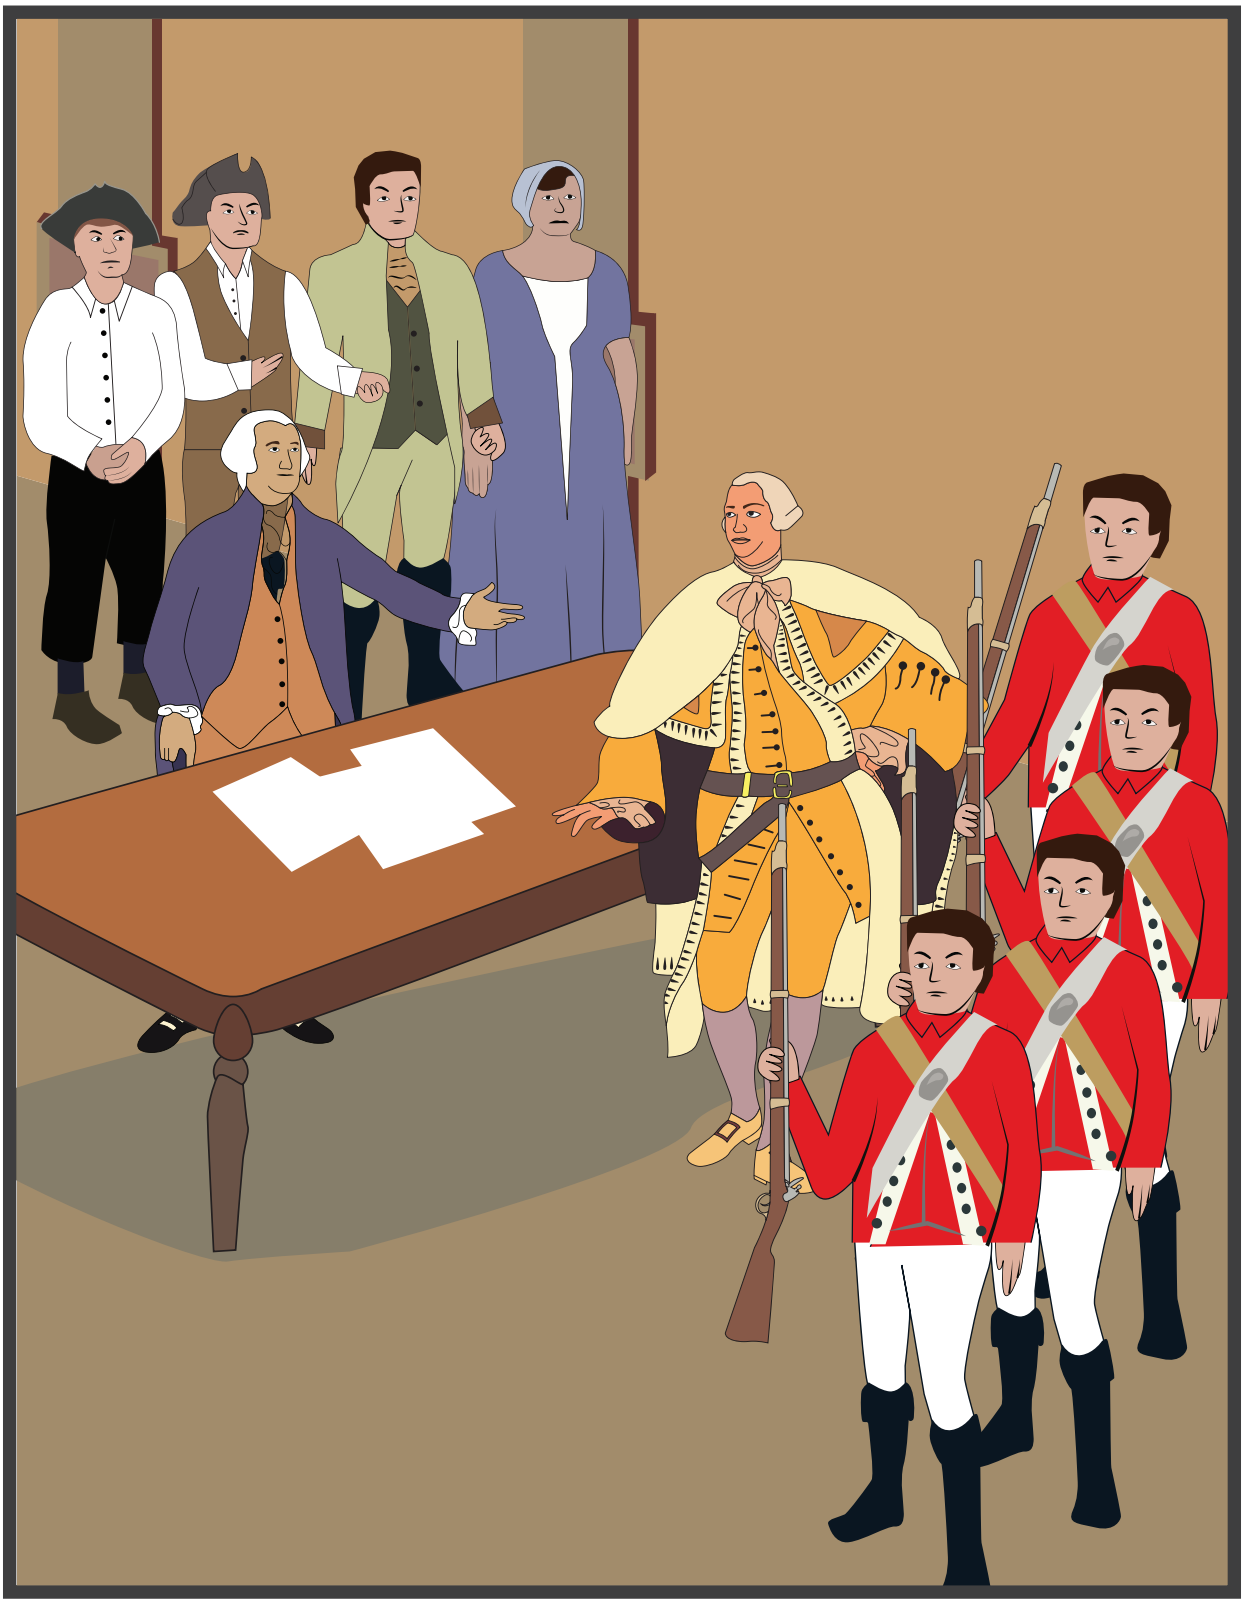
George Washington

George Washington is called the Father of the United States of America. A long time ago, King George of England ruled the American colonies. King George did not want the colonies to be free from England.



George Washington and the American colonists wanted their independence. This started a war with England to get their independence. The war was called The American Revolutionary War.



George Washington was a brave soldier. He became the leader of the colonist's army. George Washington and the colonists defeated England's army. Washington was a hero.

The colonies became a new country. The country was called the United States of America. George Washington became the first President of the United States of America. That is why he is called the father of our country.
