

**SCPASS 2015
Empirical Maximum Scores
Regular Forms**

Grade Tested	Science	Social Studies
4	836	900
5	900	889
6	860	900
7	893	888
8	887	900

- *The theoretical maximum score on any SCPASS form is 900. However, the theoretical maximum is not always obtainable in practice. On any particular form, the empirical maximum score can be, and often is, less than 900.*
- *The maximum scores in the above table refer to regular (Form A) test forms. It is occasionally possible for a student taking a customized form (i.e., Braille, Sign Language) to receive a score higher than the one posted in the table.*
