

2013-2016 Math and Science Partnership Grant Awardees

The South Carolina Department of Education's Office of Instructional Practices and Evaluations administers the Mathematics and Science Partnerships (MSP) program under the Elementary and Secondary Education Act of 2001, Title II, Part B, through a grant from the U.S. Department of Education. While the following are the leads, they have formed partnerships between high-need school districts and mathematics, science, technology, and/or engineering faculty at institutions of higher education (IHEs) to meet the requirements of the MSP program.

Clemson University – *Learning Math and Science with Technology (LMaST)* (Project Direct, Dr. Cynthia Deaton)

Coastal Carolina - *Core Math Development Project* (Project Director, Dr. Catherine Scott)

College of Charleston – *Partnering to Improve Math and Science Instruction and Student Achievement* (Project Director, Dr. William Veal)

Colleton County School District – *Transformational STEM* (Project Director, Patti Drawdy)

Hampton One School District – *TEAMS: Teachers Equipped to Advance Math and Science* (Project Director, Rhonda Willis)

Laurens County School District 55 – *Laurens STEM Teacher Preparation Project Phase 2* (Project Director, Jody Penland)

Richland School District Two – *STEMulating!* (Project Directors, Arlene Bakutus and Linda Cunningham)

University of South Carolina - Aiken – *STEM Forward: Building High Impact Talent* (Project Director, Dr. Gary Senn)

University of South Carolina – Columbia – *STEP: (Science Teaching Enhancement Project) into the New Science Standards* (Project Director, Dr. Stephen Thompson)

York One School District – *AIMS II (Alliance in Math and Science Success II)* (Project Director, Dr. Timothy Cooper)
