Course Number and Title: 5477 Hospitality Management and Operations 2

Course Description:

Hospitality Management and Operations 2 is designed for students who have decided to pursue a career in the hospitality industry. After completion of this course students will possess the knowledge and skills to advance rapidly in a career or in an institution of higher learning. This course includes career exploration, safety, security, and environmental management, leadership, management, marketing and sales, and an in depth study of the hospitality and tourism segments. Intensive laboratory and field experiences are integral parts of this course. Articulation or dual credit with post-secondary programs is encouraged. Integration of a student organization, Family Careers, and Community Leaders of America (FCCLA), or DECA greatly enhances this curriculum.
