Dear Cliff:

This letter is to acknowledge receipt, review, and approval of the John de la Howe School technology plan for 2008 – 2014 along with supporting budget furnished as a separate document. I have enclosed with this note the Certification of Technology Plan for South Carolina Public Schools for your records.

I have also furnished a copy of this letter and certification form to Betsy Smoak at the CIO's office at the Budget and Control Board where your plan and E-rate documentation is housed.

I will also update the South Carolina Department of Education Web site to reflect this approval.

Thank you for furnishing this copy of your school technology plan for review.

Sincerely yours,
