REPORT OF SUPERINTENDENT

Thanks to the tireless efforts of our students, families, teachers, staff, and administrators, the Chesterfield County School District continued to show progress in many important areas during the 2007-2008 school year.

On the PACT test, Chesterfield County scores exceeded the state average, meeting standards in 3rd grade Social Studies, 6th grade Social Studies, 8th grade Math, and 8th grade Social Studies.

On the High School Assessment Program test, the percentage of students taking the HSAP who passed both sections on the first attempt at Central and Chesterfield High school continues to be equivalent or higher than the state average. The percentage of students taking HSAP who passed both sections on the first attempt has increased since 2005 for the District, Central High School, and Cheraw High School.

Chesterfield High School exceeded the state average for the SAT with a composite score of 993. Chesterfield High also exceeded the state average on the ACT with 19.9.

Jefferson Elementary and McBee Elementary were awarded Palmetto Silver Awards, which recognize schools with the highest levels of student academic achievement and the fastest rates of improvement. Ruby Elementary was also recognized by the state's Education Oversight Committee for its outstanding work in closing the achievement gap among historically underachieving student populations. Central High School was honored by the S.C. Association of School Administrators as a Palmetto's Finest finalist.

Six teachers earned National Board Certification, bringing the total to 68 for the district. Chesterfield County schools also had 28 Junior Scholars, five Duke TIP Scholars, and twelve National History Day participants.

Our students continued to excel in athletics; Cheraw High School won a state championship in football, and Chesterfield High won a state title in football, wrestling, and softball.

I would like to thank all of the teachers, principals, district staff members, other district employees, as well as citizens, for working cooperatively to provide a positive environment which enables all students in Chesterfield County to receive a quality education. I challenge you to build on these successes in the future.

John E. Williams, Ph.D.
