Report of Principal and School Improvement Council

Our hard work paid off again this year! We made AYP for the fourth year in a row. We were the only school in North Charleston to do so. We also won the Palmetto State Silver Award for school-wide achievement for the second year in a row! We have also continued our endeavors in sculpting our cultural environment through our PBS program, Positive Behavior Support. Our students have been immersed in this program for the last three years. They "live and breathe" our 3 Bee's program: Be Respectful, Be Responsible, Be Ready to Learn. Our students are taught specific lessons and are required to recall the details of the 3 Bee's on a regular basis.

Academically, we have had several interventions in place all year. In the upper grades, certain students have attended our Academy of Reading and Math. We have had many students complete the program in Math and in Reading. In our lower grades, we have our LEAP Class and FROG, 1st – 2nd grade intensive interventions in literacy. These programs help our students build a strong foundation in reading so that success may come more easily.

Once again, because of our success, we have been chosen as a NCLB receiving school. We will quickly acclimate our new students to the high expectations that we hold here at Hunley Park Elementary.

Our entire team looks forward to another successful year!
