Percent satisfied with school-home relations	96.2%	84.1%	70.1%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-08 school year at Starr Elementary has been extremely motivating for all of our school members. Our focus has been to continue to maintain our high expectations in line with state standards developed by the Department of Education. Our mission is focused on goals that each child will learn and develop their highest potential enabling them to become responsible, self-motivated, lifelong learners by fostering parent involvement, embracing diversity, providing challenging, accountable, and innovative educational opportunities in a safe and caring atmosphere.

At the present time we have 747 students who attend Starr Elementary. We are very proud of their accomplishments. The students here at Starr Elementary work extremely hard as is seen by the achievements noted in many areas, including a student who was recognized by the Lt. Governor for the Governor's Citizenship award and one student who won first place in a Clemson University Martin Luther King Celebration 2008 poster contest. Starr Elementary also celebrated the following: four students who received two gold medals and two students who received silver medals at the Regional Science Fair at Clemson University; a Spelling Bee winner who won 3rd place in the Regional Spelling Bee; Terrific Kids; Awards Day; Honor Roll; Attendance Awards; Accelerated Reader Awards; After School Program; APPLE Academics; and the Starr Student Award. We have involved the students in various opportunities such as APPLE Art, Fifth Grade Chorus, St. Jude's fundraiser that collected over \$5000.00, and Jump Rope for Heart that raised over \$7000.00. Students also brought in 5004 cans of food for disadvantaged community members.

The faculty and staff continue to provide a safe and nurturing environment for learning. In order to expand their knowledge skills, they have been involved in many endeavors such as taking a class on poverty as well as SMART board instruction. They also attended many conferences to become more knowledgeable in their content areas. We have also initiated the "Writing to Win," program. The faculty also administered Dibels and the Ohio Assessment, as well as PACT. All of these endeavors have allowed teachers to use test data to help analyze student progress and needs.

Special congratulations go to Mrs. Heather Smith who was selected as the Starr Elementary School Teacher of the Year.

Valerie Neal, Principal
Melissa Davis, SIC Chair
