REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

When you enter the halls of Lugoff Elementary, you enter a world for children. Driven by our school's motto, "A, B, C – All Because of Children," every decision that we make has children's best interest at its core. This motto is what continues to drive us to excel academically because of our belief that each and every student can be successful with the aid of individualized and differentiated instruction.

Lugoff Elementary is an award winning school that serves a growing population of 602+ students. We have received recognition for five years from the Education Oversight Committee for reducing the achievement gap for at least one historically underachieving student group. Annually our fifth graders participate in the Lieutenant Governor's Writing Awards Program. This year, our school's winner competed against other Kershaw County fifth graders and was chosen as the district's winner. In addition to these recognitions, Lugoff Elementary was recently selected as one of 110 K-12 public schools nationwide to receive the 2008 HP Technology for Teaching grant, which is designed to transform and improve learning in the classroom through innovative uses of technology. The school will receive an award package of HP products and a cash award for the five teachers that wrote the grant with a total value of more than \$38,000.

With a legacy of excellence and a history of high performance on state mandated tests, Lugoff Elementary's mission is to develop competent, confident, lifelong learners by creating a safe, child-centered environment. Our school and community work collaboratively to help students reach their maximum potential by providing a positive and nurturing learning environment. Opportunities are provided daily through a variety of learning strategies and integrated technology that engage our students in exciting and challenging activities. At Lugoff Elementary, learning never ends!
