REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Gray Court-Owings Elementary School is to create a community of learners who are responsible and productive citizens. We value commitment to excellence in all we do, active involvement in our school and community, and positive, trusting relationships. We envision and strive for a climate that promotes learning and personal growth.

Last summer, we moved from Pleasant View to the Gray Court School campus. We have taken onto our enrollment the 3rd, 4th, and 5th graders from that school, as well as the teachers of those grade levels. The addition of these students increases our enrollment to nearly six hundred. The Pleasant View campus continues to house our Child Development Center that now includes infants and toddlers and operates 12 months a year.

Academic growth for students is our primary goal. This growth is possible only through quality instruction in an engaging learning environment. All of our teachers are highly qualified and fully committed to providing safe, respectful, and literacy-rich learning opportunities. They love children and seek what is best for each individual.

Achieving academic goals is almost exclusively a matter of reading ability. We will be spending much more of the school day reading and writing. Title I funding has been used to purchase more books in all subject areas to strengthen classroom libraries. Also, these federal funds were used to purchase Promethean Boards for nine additional classrooms. Other Title I benefits support our Literacy Coach, full-time lab assistant, 4K teacher and assistant, parenting program, and class size reduction.

We are a learning community, and we make every attempt to allow research and best practice to inform and differentiate instruction. Our commitment to reading and writing and our belief that all students can learn help us maintain our focus on what is best for our children. We continue to find Measures of Academic Progress a critical tool for assessing student performance levels, and Reading Recovery has made a significant impact on progress in reading. We are very proud of our partners at Vulcan Materials, and our students and staff contribute to causes in our community and beyond.

With full support from our superintendent, board, parents, and community, we expect to move toward our goal of academic success for every child. Please visit us at our campus or on our website at www.laurens55.k12.sc.us/gces.
