REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Saluda Elementary School is proud of the accomplishments of our students, faculty, and staff during the 2008 school year. Our school has been recognized for the third consecutive year by the South Carolina Department of Education with the Palmetto Silver Award. The Palmetto Silver Award is given to schools that experience high student achievement based upon the Palmetto Achievement Challenge Test. This award can be directly related to our outstanding faculty and staff, our students who achieve at high levels, and our excellent parent/community support.

Technology continues to provide added opportunities for teachers to deliver information and for students to experience learning through different media. All classes now have Smartboards which provide interactive instructional opportunities for students. Teachers have participated in staff development throughout the year to become proficient in using this technology. Students continue to benefit in math and social studies from Compass Learning.

A grant was received this year to provide a full-time nurse. This has been a tremendous asset to providing better health care for our students. Plans for next year include health care instruction in the classrooms to promote a healthy lifestyle for our students. Students participated in a contest to name our school mascot. Striper, the Saluda Elementary School Tiger, added an additional dimension to our school pride and spirit. A new program called Team Challenge afforded students the opportunity to learn sportsmanship and show off some of their athletic skills each nine weeks. Meredith Miller-Rikard was chosen as the Saluda Elementary Teacher of the Year.

Our school is fortunate to have an active PTA and School Improvement Council. The PTA helped provide funds for our school garden and our newly installed school sign. Incentive programs are also provided, such as our "Goals-Go Over All Limits." The "Goals" program provides rewards for students reaching established goals in language arts and math, effort, and behavior. Community projects included Relay for Life, PTA Bingo, Career Fair, canned food drives, Pennies for Patients, and Ronald McDonald. Parent/community opportunities were provided through a PTA Carnival, Muffins for Moms, Donuts for Dads, Grits for Grands, Parent/Teacher Beach Ball Volleyball, PACT Night, and the Talent Show.

Our child-centered school, data driven curriculum, excellent instructional staff, motivated students, and our active parent/community involvement have made this a very successful school year. As we strive to meet the challenges and opportunities ahead, we ask for the continued support of our parents and community in helping us provide the best possible education for each and every child.

Always for children,
Joseph M. Cox, Principal
Maribeth Werts, SIC Chair
